Dear [REDACTED]

**RE: Request for Information – RFI2678**

Thank you for your recent email, which was processed under the Freedom of Information Act 2000 (FOIA). For clarification, you requested the following information:

*Please supply me with copies of any and all briefings, emails, letters, reports, and any other documents held by the agency that relate to, contain information on, or mention the Lakeside Boulevard development in Cannock, Staffordshire.*

*This is a development by Walsall Housing Group that is supported financially by the agency.*

We asked you for clarification regarding the location of the site, and you confirmed the following: <https://www.lindenhomes.co.uk/brochure/chenet-chase.pdf>

We also asked for clarification regarding the timeframe for any information that may fall within the scope of your request, and you confirmed a period of the *past five years – therefore from 25/04/14 to 25/04/19.*

**Response**

We are able to inform you that we do hold the information that you have requested. However, to comply with your request would exceed the appropriate limit for the cost of compliance. We therefore rely on section 12, exemption where the cost of compliance exceeds the appropriate limit under the FOIA.

The full text of the legislation can be found on the following link and we have quoted section 12 below for ease.

<https://www.legislation.gov.uk/ukpga/2000/36/contents>

**Section 12 - Exemption where cost of compliance exceeds appropriate limit**

- (1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.
- (2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.
- (3) In subsections (1) and (2) “the appropriate limit” means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.
- (4) The Minister for the Cabinet Office may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority:
  - (a) by one person, or

(b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them.

(5) The Minister for the Cabinet Office may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated.

We have considered the current wording of your request and in its current scope we have determined that to establish where all elements of the information is held, to locate the information, retrieving the information and extracting the information would exceed the appropriate limit in terms of timeframes.

Under the terms of the Act we are not obliged to provide any information compiled in the course of our searches prior to concluding section 12 is engaged.

### **Advice and Assistance**

In compliance with the Section 45 Code of Practice (Paragraph 14) and to offer advice and assistance under section 16 of the Freedom of Information Act 2000, you may wish to consider narrowing the scope of your request. The request could be refined to a particular aspect of Homes England's role in the development, or a shorter time period.

Please note that due to the broad scope of your request we cannot confirm that any further request would not also exceed the section 12 cost limit at this time.
