Ref. FOI2019/11696

Dear Sir/Madam,

Thank you for your email of 15 October 2019 requesting the following information:

"I would like to receive an updated record of all transactions involving the MOD selling it's residential housing assets to private companies and individuals going back at least to 1990 but preferably as far back as possible.

Ideally this will include the identity of the purchaser and the details of the transaction, namely how many residential units and of what size etc."

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD) and I can confirm that some information in scope of your request is held.

The information you have requested can be found enclosed at Annex A, but some of the information, namely identity of purchasers, falls entirely within the scope of the absolute exemptions provided for at section 40 (Personal Data) of the FOIA and has been withheld.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note that the majority of Service Family Accommodation properties sold by the MOD was via the Annington sale. In November 1996 the MOD sold a 999 year lease on 55,060 properties and sold the freehold on a further 2,374 to Annington Property Limited for a price of £1.67 billion.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made in writing within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at https://ico.org.uk/.

Yours sincerely,

DIO Secretariat
