Dear ██████████

**RE: Request for Information – RFI2765**

Thank you for your request for information, which was processed under the Freedom of Information Act 2000 (FOIA).

For clarification, you requested the following information:

*Please provide, electronically to this email address, from January 2018 up to and including the date at which this request is handled, copies of all minutes, emails and correspondence from Homes England relating to the Fossett’s Farm Site at Fossetts Farm Sutton Road Southend-On-Sea Essex, including any regarding the Fossett’s For The People campaign group and/or the New Economics Foundation.*

*The information should cover all correspondence between yourselves and public bodies – e.g Southend Borough Council – and all relevant and disclosable correspondence between yourselves and private companies.*

**Response**

We can inform you that we do hold the information that you have requested. However, to comply with your request would exceed the appropriate limit for the cost of compliance. We therefore rely on section 12, exemption where the cost of compliance exceeds the appropriate limit under the FOIA.

The full text of the legislation can be found on the following link and we have quoted section 12 below for ease.

<https://www.legislation.gov.uk/ukpga/2000/36/contents>

**Section 12 - Exemption where cost of compliance exceeds appropriate limit**

(1) Section 1(1) does not oblige a public authority to comply with a request for information if the authority estimates that the cost of complying with the request would exceed the appropriate limit.

(2) Subsection (1) does not exempt the public authority from its obligation to comply with paragraph (a) of section 1(1) unless the estimated cost of complying with that paragraph alone would exceed the appropriate limit.

(3) In subsections (1) and (2) “the appropriate limit” means such amount as may be prescribed, and different amounts may be prescribed in relation to different cases.

(4) The Minister for the Cabinet Office may by regulations provide that, in such circumstances as may be prescribed, where two or more requests for information are made to a public authority:

(a) by one person, or

(b) by different persons who appear to the public authority to be acting in concert or in pursuance of a campaign, the estimated cost of complying with any of the requests is to be taken to be the estimated total cost of complying with all of them.

(5) The Minister for the Cabinet Office may by regulations make provision for the purposes of this section as to the costs to be estimated and as to the manner in which they are to be estimated.

We have considered the current wording of your request and in its current scope we have determined that to establish where all elements of the information is held, to locate the information, retrieving the information and extracting the information would exceed the appropriate limit in terms of timeframes.

Under the terms of the Act we are not obliged to provide any information compiled in the course of our searches prior to concluding section 12 is engaged.

### **Advice and Assistance**

In compliance with the Section 45 Code of Practice (Paragraph 14) and to offer advice and assistance under section 16 of the Freedom of Information Act 2000, you may wish to consider narrowing the scope of your request. This could be by focussing on correspondence within a particular time frame or between two particular bodies or individuals. You may also want to consider focusing the request on either minutes or correspondence, as currently the limit would be reached by providing emails alone.

Please note that due to the broad scope of your request we cannot confirm that any further request would not also exceed the section 12 cost limit at this time.

### **Right to Appeal**

If you are not happy with the information that has been provided or the way in which your request has been handled you may request an internal review by writing to;
