Dear

REQUEST FOR INFORMATION: Food waste

Thank you for your request for information of 11th February about Food waste. We have handled your request under the Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

We enclose a copy of the information you requested:

The total weight of food disposed of by the department and its contractors. I would like this information for the three most recent calendar years, broken down by year i.e. 2016, 2017, and 2018.

A number of factors have affected these figures, including changes to the number of canteens being operated and the total number of staff employed who utilize them. The department and its contractors disposed of the following amount of food waste in the last three calendar years:

- 2016: 46,577kg
- 2017: 65,336kg
- 2018: 37,522kg

Information disclosed in response to this EIRs request is releasable to the public. In keeping with the spirit and effect of the EIRs and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

We attach Annex A, explaining the copyright that applies to the information being released to you, and Annex B giving contact details should you be unhappy with the service you have received.

If you have any queries about this letter please contact the address below.

Yours sincerely
