Dear ██████████

RE: Request for Information – RFI2826

Thank you for your recent email, which was processed under the Freedom of Information Act 2000 (FOIA). For clarification, you requested the following information:

Bunker Housing Cooperative Brighton.

Please can you tell me exactly how much money this organisation has been awarded in grants towards affordable housing over the past seven years. Including any former names it may have operated under.

Response

We can confirm that we do hold information in relation to your request.

Bunker Housing Co-operative has received an allocation of funding under our Community Housing Fund. The funding received from Homes England is £190,800 and is pre-development revenue funding towards the Dunster Close community self-build project. This is not capital funding to build actual homes, but revenue funding to enable them to be built.

Other than the funding detailed above, we can confirm that Bunker Housing Co-operative have not received any other funding or grants through our Affordable Homes Programme, or other associated specialist programmes.
