

EMPLOYMENT TRIBUNALS

Claimant: Ms S Rowley

Respondent: Department for Work and Pensions

JUDGMENT

The claimant's application dated **19 February 2020** for reconsideration of the judgment sent to the parties on **6 February 2020** is refused.

REASONS

1. The Claimant's application for reconsideration does not provide any grounds to explain why it is in the interests of justice for the judgment to be reconsidered.
2. Findings of fact have properly been made on the evidence presented by both parties at the hearing over 3 days. The application to 'review the evidence' and reconsider the conclusion reached but does not explain why it is in the interests of justice to do so. It is not in the interests of justice to reconsider a judgment because a party does not agree or is unhappy with those findings properly made based on the evidence.
3. In the circumstances Employment Judge Rogerson considers there is no reasonable prospect of the original decision being varied or revoked and the application is refused.
