The Secretary of State, in exercise of the powers conferred by sections 8(1) and 23(1) of, and paragraph 21(b) of Schedule 7 to, the European Union (Withdrawal) Act 2018(a), makes the following Regulations.

The requirements of paragraph 3(2) of Schedule 7 to that Act (relating to the appropriate Parliamentary procedure for these Regulations) have been satisfied.

PART 1

Introduction

Citation and commencement

1. These Regulations may be cited as the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment (Amendment) (EU Exit) Regulations 2020 and come into force on IP completion day.

PART 2

Amendments applying to England and Wales, and Scotland

Amendment of Regulations

2. The Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009(b) are amended in accordance with regulations 3 to 24.

Amendments to Part 1 (Introductory Provisions)

3.—(1) In regulation 2 (Interpretation – General), the Table in paragraph (5) is amended as follows.

(2) After the definition of “ADR” insert—

(9) After the definition of “the GB competent authority” insert—	
““importer”	Subject to regulation 19(3)(a) and (4)(a), a person who— (a) is established in the United Kingdom; and (b) places transportable pressure equipment or parts thereof from a country outside of the United Kingdom, on the market.
“making available on the market” and like expressions	Subsequent to the transportable pressure equipment being placed on the UK market, any supply of that equipment for distribution or use on that market in the course of a commercial or public service activity, whether in return for payment or free of charge.
“manufactured in series to a design type”	Equipment that is one of a series of products manufactured to the same design.
“manufacturer”	A person who— (a) manufactures transportable pressure equipment, or parts thereof, or who has such equipment designed or manufactured; and (b) markets it under their own name or trademark.”

(10) After the definition of “national carriage” insert—

““Northern Ireland competent authority”	The competent authority in Northern Ireland, as defined in regulation 21 of the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations (Northern Ireland) 2010(a), under regulation 25 of those Regulations.
“notified body”	An inspection body appearing on the list published by the European Commission(b) pursuant to article 23(2) of the Transportable Pressure Equipment Directive.
“operator”	A person established in a relevant territory who uses transportable pressure equipment.
“owner”	A person established in the United Kingdom who owns transportable pressure equipment.
“pi marking”	The mark referred to in article 14 of the Transportable Pressure Equipment Directive, the form of which is set out in article 15 of that Directive.
“pi marked TPE”	Transportable pressure equipment bearing the pi marking.
“placing on the market” and like expressions	The first making available of transportable pressure equipment on the UK market.”.

(11) For the row containing the expression and meaning of “relevant member State” substitute—

““relevant territory”	Great Britain, Northern Ireland or a member State of the EU.”
-----------------------	---

(12) For the row containing the expression and meaning of “TPED competent authority”, for “or another member State of the EU.” substitute “or a member State of the EU.”

(13) For the row containing the expression and meaning of “the Transportable Pressure Equipment Directive”, after “and 1999/36/EC” insert “, as it had effect immediately before IP completion day”.

(14) After the definition of “the Transportable Pressure Equipment Directive” insert—

““UK TPE”	Transportable pressure equipment bearing the UK TPE marking.
“UK TPE marking”	The marking in the form published in accordance with regulation 22B.”

(15) After the Table in paragraph (5), insert—

“(6) References to—

- (a) “the Annexes”;
- (b) “the Dangerous Goods Directive”; and
- (c) “the Directives”,

are subject to the modification identified in paragraph (7).

(7) (a) Section I.1 of Annex I; and

(b) Section II.1 of Annex II

to the Dangerous Goods Directive are to be read as if “as applicable with effect from 1 January 2019,” had been omitted.”.

Amendments to Part 3 (Exemptions)

4.—(1) Regulation 11 (Derogations and transitional provisions) is amended as follows.

“(a) implementing a derogation authorised under article 6(2) to (4) of and listed in—

- (i) section I.3 of Annex I, or
- (ii) section II.3 of Annex II

to the Dangerous Goods Directive that had effect immediately before IP completion day, subject to the modification in paragraph (2A); or

(b) maintaining a transitional provision permitted by article 7 of and listed in—

- (i) section I.2 of Annex I, or
- (ii) section II.2 of Annex II

to the Dangerous Goods Directive, subject to the modification in paragraph 2A; or”.

(3) After paragraph (2), insert—

“(2A) The modification referred to in paragraphs (2)(a) and (b) apply to the identified sections of those Annexes to the Dangerous Goods Directive, and are that any reference to a member State is to be read as a reference to—

- (a) the UK, or
- (b) a member State of the EU.”.

5. In regulation 13(3)(b), for “conformity mark” substitute “pi marking”.

6. In regulation 14(6)(d)—

- (a) for “or another EEA State” substitute “or an EEA State”, and
- (b) for “regulation 21” substitute “regulations 20A and 21”.

Amendments to Part 4 (Transportable pressure equipment)

7.—(1) Regulation 19 (Scope of obligations) is amended as follows.

(2) In paragraph (1), after “that Directive”, insert “, subject to the modification in paragraph (1A)”.

(3) After paragraph (1), insert—

“(1A) The modification referred to in paragraph (1) is that the reference to “making it available on the market” in that article is to be read as a reference to making it available on the market, as defined by these Regulations.”.

(4) After paragraph (2), insert—

“(3) Where transportable pressure equipment has been—

- (a) placed on the market by an importer; or
- (b) made available on the market by a distributor

prior to IP completion day, references to those economic operators in the regulations identified in paragraph (4) include such economic operators established in a relevant territory.

(4) The regulations referred to in paragraph (3) are—

- (a) in respect of an importer—
 - (i) regulation 19CA(1)(b) and (2)(a),
 - (ii) regulation 19D(3)(a) and (4)(a), and
 - (iii) regulation 19E(2)(a), and

8. For regulation 19A(5) (General Obligations), substitute—

“(5) The information must comply with—

- (a) the Annexes in respect of UK TPE; or
- (b) the Directives in respect of pi marked TPE.”.

9. After regulation 19A, insert—

“Obligations of Manufacturers prior to placing equipment on the market

19AA.—(1) A manufacturer of equipment to be placed on the market must comply with paragraph (2) or (3).

(2) Where it is intended that the equipment becomes UK TPE, the manufacturer must—

- (a) ensure a conformity assessment is carried out by an appointed body;
- (b) mark equipment in accordance with regulation 22B; and
- (c) keep the technical documentation specified in—
 - (i) section 1.8.7 of ADR; or
 - (ii) section 1.8.7 of RID,for the period specified in those Agreements.

(3) Where it is intended that the equipment becomes pi marked TPE, the manufacturer must—

- (a) ensure a conformity assessment is carried out by a notified body;
- (b) mark equipment in accordance with articles 14 and 15 of the Transportable Pressure Equipment Directive; and
- (c) keep the technical documentation specified in the Dangerous Goods Directive for the period specified in that Directive.

Obligations of Manufacturers after placing UK TPE on the market

19AB.—(1) This regulation applies to equipment bearing the UK TPE marking that a manufacturer has placed on the market.

(2) Where a manufacturer knows or has reason to believe that the equipment does not comply with regulation 19AA(2) or the Annexes, that manufacturer must—

- (a) take immediate corrective measures to ensure that the equipment complies with—
 - (i) regulation 19AA(2); and
 - (ii) the Annexes;
- (b) withdraw the equipment from the market; or
- (c) issue a recall of the equipment.

(3) Where a manufacturer considers that the equipment presents a risk, that manufacturer must immediately inform the competent authority for any relevant territory on which the equipment has been placed of—

- (a) the risk, including providing details of any non-compliance with regulation 19AA(2) or the Annexes; and
- (b) any action taken in accordance with paragraph (2).

(4) A manufacturer must record—

- (a) each instance of non-compliance with regulation 19AA(2) or the Annexes; and
- (b) any corrective measure taken,

and must retain that record for at least 20 years from the date that the non-compliance is discovered.

(5) On receipt of a reasoned request from the GB competent authority or Northern Ireland competent authority, a manufacturer must—

- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) regulation 19AA(2); and
 - (ii) the Annexes; and
- (b) cooperate with that authority in any action it takes to eliminate risks posed by that equipment.”.

10.—(1) Regulation 19B (Obligations of Manufacturers) is amended as follows.

(2) In the heading, after “Manufacturers” insert “after placing pi marked TPE on the market”.

(3) For paragraph (1), substitute—

“(1) This regulation applies to equipment bearing the pi marking that a manufacturer has placed on the market.”.

(4) In paragraph (2), after “that equipment” insert “bearing the pi marking that”.

(5) In paragraph (3), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been placed”.

(6) Omit paragraph (6).

11. After regulation 19B, insert—

“Application of regulations 19AA to 19B to Importers or Distributors

19BA. Regulations 19AA to 19B apply to an importer or a distributor as if that person were a manufacturer where the importer or distributor—

- (a) places equipment on the market under the importer or distributor’s own name or trademark; or
- (b) modifies equipment already placed on the market in such a way that it may affect compliance—
 - (i) of UK TPE with these Regulations or the Annexes; or
 - (ii) of pi marked TPE with the Directives.

Obligations of Importers prior to placing equipment on the market

19BB.—(1) Before placing equipment on the market, an importer must ensure that—

- (a) the equipment has been marked in accordance with—
 - (i) regulation 22B; or
 - (ii) articles 14 and 15 of the Transportable Pressure Equipment Directive;
- (b) the manufacturer has complied with conformity assessment and drawn up the technical documentation in accordance with—
 - (i) the Annexes, in respect of UK TPE; or
 - (ii) the Dangerous Goods Directive, in respect of pi marked TPE; and
- (c) the certificate of conformity for the equipment either contains the name and address of the importer or has this information attached to it.

(2) Where an importer considers that equipment presents a risk before it has been placed on the market, that importer must inform the manufacturer and the Health and Safety Executive of the risk.

Obligations of Importers after placing UK TPE on the market

19BC.—(1) This regulation applies to equipment bearing the UK TPE marking that an importer has placed on the market.

(2) The importer must ensure that—

- (a) the conditions in which equipment under the responsibility of the importer is stored and transported do not jeopardise the equipment's compliance with the Annexes; and
 - (b) the technical documentation specified in the Annexes is kept for the period set out in that Directive.
- (3) Where an importer knows or has reason to believe that equipment it has placed on the market does not comply with—
- (a) this regulation;
 - (b) regulation 19BB(1)(a)(i), (b)(i) or (c); or
 - (c) the Annexes,
- that importer must act as required by paragraph (4).
- (4) The actions required by paragraph (3) are to—
- (a) take immediate corrective measures to ensure that the equipment complies with—
 - (i) this regulation;
 - (ii) regulation 19BB(1)(a)(i), (b)(i) or (c); and
 - (iii) the Annexes;
 - (b) withdraw the equipment from the market; or
 - (c) issue a recall of the equipment.
- (5) Where an importer considers that equipment it has placed on the market presents a risk, that importer must immediately inform the manufacturer, the GB competent authority and Northern Ireland competent authority of the risk, including details of any non-compliance with—
- (a) this regulation;
 - (b) regulation 19BB(1)(a)(i), (b)(i) or (c); or
 - (c) the Annexes,
- and any action taken in accordance with paragraph (4).
- (6) An importer must record each instance of non-compliance with—
- (a) this regulation;
 - (b) regulation 19BB(1)(a)(i), (b)(i) or (c); or
 - (c) the Annexes,
- and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.
- (7) On receipt of a reasoned request from, the GB competent authority or Northern Ireland competent authority, an importer must—
- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) this regulation;
 - (ii) regulation 19BB(1)(a)(i), (b)(i) or (c); and
 - (iii) the Annexes;
 - (b) cooperate with that authority in any action taken to eliminate risks posed by that equipment.”.

12.—(1) Regulation 19C (Obligations of Importers) is amended as follows.

(2) In the heading, after “Importers” insert “after placing pi marked TPE on the market”.

(3) Before paragraph (1), insert—

“(A1) This regulation applies to equipment bearing the pi marking that a manufacturer has placed on the market.”.

- (4) In paragraph (1), omit sub-paragraphs (a) to (c).
- (5) Omit paragraph (3).
- (6) In paragraph (4), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been placed”.

13. After regulation 19C, insert—

“Obligations of Distributors prior to making equipment available on the market

19CA.—(1) Before making transportable pressure equipment available on the market, a distributor must ensure that—

- (a) the equipment has been marked in accordance with—
 - (i) regulation 22B; or
 - (ii) articles 14 and 15 of the Transportable Pressure Equipment Directive; and
 - (b) the certificate of conformity for the equipment either contains the name and address of the importer or has this information attached to it.
- (2) Where a distributor considers that equipment presents a risk before it has been made available on the market, that distributor must inform—
- (a) the manufacturer or the importer; and
 - (b) the Health and Safety Executive
- of the risk.

Obligations of Distributors after making UK TPE available on the market

19CB.—(1) This regulation applies to equipment bearing the UK TPE marking that a distributor has made available on the market.

(2) The distributor must ensure that the conditions in which equipment under the responsibility of the distributor is stored and transported do not jeopardise the equipment’s compliance with the Annexes.

(3) Where a distributor knows or has reason to believe that equipment does not comply with—

- (a) this regulation;
- (b) regulation 19CA(1)(a)(i) or (b); or
- (c) the Annexes,

that distributor must act as required by paragraph (4).

(4) The actions required by paragraph (3) are to—

- (a) take immediate corrective measures to ensure that the equipment complies with—
 - (i) this regulation;
 - (ii) regulation 19CA(1)(a)(i) or (b); and
 - (iii) the Annexes;
- (b) withdraw the equipment from the market; or
- (c) issue a recall of the equipment.

(5) Where a distributor considers that equipment it has made available on the market presents a risk, that distributor must immediately inform the manufacturer, the GB competent authority and Northern Ireland competent authority of the risk, including details of any non-compliance with—

- (a) this regulation;
- (b) regulation 19CA(1)(a)(i) or (b); or
- (c) the Annexes,

and any action taken in accordance with paragraph (4).

(6) A distributor must record each instance of non-compliance with—

- (a) this regulation;
- (b) regulation 19CA(1)(a)(i) or (b); or
- (c) the Annexes,

and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.

(7) On receipt of a reasoned request from the GB competent authority or Northern Ireland competent authority, a distributor must—

- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) this regulation;
 - (ii) regulation 19CA(1)(a)(i) or (b); and
 - (iii) the Annexes;
- (b) cooperate with that authority in any action taken to eliminate risks posed by that equipment.”.

14.—(1) Regulation 19D (Obligations of Distributors) is amended as follows.

(2) In the heading, after “Distributors” insert “after making pi marked TPE available on the market”.

(3) Before paragraph (1), insert—

“(A1) This regulation applies to equipment bearing the pi marking that a distributor has made available on the market.”.

(4) For paragraph (1), substitute—

“(1) A distributor must ensure that the conditions in which equipment under the responsibility of the distributor is stored and transported do not jeopardise the equipment’s compliance with the Directives.”.

(5) Omit paragraph (3).

(6) In paragraph (4)(b), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been made available”.

15.—(1) Regulation 19E (Obligations of Owners) is amended as follows.

(2) After paragraph (2), insert—

“(2A) An owner of UK TPE must record each instance of non-compliance with—

- (a) this regulation;
- (b) regulation 21A; or
- (c) the Annexes,

and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.”

(3) In paragraph (3), after “An owner” insert “of pi marked TPE”.

16.—(1) Regulation 20 (Authorised Representatives) is amended as follows.

(2) For paragraph (1), substitute—

“(1) Subject to paragraph (3), a manufacturer may appoint in writing a person established in a relevant territory (“an authorised representative”) to carry out some or all of the duties imposed on the manufacturer by—

- (a) regulations 19A, 19AB and 19AC in respect of equipment that bears, or will bear, the UK TPE marking; or

- (b) regulations 19A, 19AB and 19B in respect of equipment that bears, or will bear, the pi marking.”.
- (3) For paragraph (2)(b) and (c), substitute—
 - “(b) in respect of UK TPE—
 - (i) providing to the GB competent authority or Northern Ireland competent authority, in response to a reasoned request, the information and documents necessary to show that the equipment meets the requirements of these Regulations and the Annexes; and
 - (ii) cooperating with those competent authorities in any action they take to eliminate risks posed by the equipment; and
 - (c) in respect of pi marked TPE—
 - (i) providing to a TPED competent authority, in response to a reasoned request and in a language that it easily understands, the information and documents necessary to show that the equipment meets the requirements of the Directives; and
 - (ii) cooperating with that competent authority in any action they take to eliminate risks posed by the equipment.”.
- (4) In paragraph (3), for “19B(1)(a) or 19B(1)(b)” substitute “19AA(2)(a), (2)(b), (3)(a) or (3)(b)”.
- (5) For paragraph (5), substitute—
 - “(5) An authorised representative must only provide information to an operator that complies with the requirements of—
 - (a) the Annexes in respect of UK TPE; or
 - (b) the Directives in respect of pi marked TPE.”.

17. After regulation 20, insert—

“Reassessment of conformity – UK TPE

20A.—(1) This regulation applies to transportable pressure equipment which does not bear the conformity markings provided for in—

- (a) regulation 22B;
- (b) the Transportable Pressure Equipment Directive; or
- (c) Council Directive 1999/36/EC of 29 April 1999 on transportable pressure equipment(a),

for the purposes of reassessment of conformity.

(2) Equipment may be reassessed for conformity in accordance with this regulation.

(3) The equipment is to be—

- (a) reassessed by a type A appointed body in accordance with the procedure set out in Annex III to the Transportable Pressure Equipment Directive, subject to the modifications in paragraph (6); and
- (b) inspected by an appointed body appointed for periodic inspection of that equipment and marked in accordance with the requirements of regulation 22B.

(4) If a pressure receptacle has been manufactured in series to a design type for which a—

- (a) type A notified body notified for; or
- (b) type A appointed body appointed for

(a) OJ No. L 138, 1.6.1999, p. 20-56.

reassessment of conformity has issued a certificate of type reassessment, the reassessment of conformity may be undertaken by an appointed body appointed for periodic inspection of that pressure receptacle.

(5) In this regulation—

- (a) “certificate of type reassessment” means a certificate issued in accordance with paragraph 6 of Annex III to the Transportable Pressure Equipment Directive, subject to the modifications in paragraph (6); and
- (b) “type A appointed body” means an appointed body conforming to standard EN ISO/IEC 17020 type A(a) as revised or reissued from time to time.

(6) The modifications referred to in paragraphs (3)(a) and (5)(a) apply to Annex III to the Transportable Pressure Equipment Directive and are that—

- (a) any reference to “a notified body” is to be read as a reference to an appointed body;
- (b) any reference to a “type A notified body” is to be read as a reference to a type A appointed body;
- (c) any reference to “notified” is to be read as a reference to appointed;
- (d) any reference to the “pi marking” is to be read as a reference to the UK TPE marking; and
- (e) any reference to “Member States” is to be read as a reference to the GB competent authority.”.

18.—(1) Regulation 21 (Reassessment of conformity) is amended as follows.

(2) In the heading, after “Reassessment of conformity” insert “ - pi marked TPE”.

(3) In paragraph (1), for “transportable pressure equipment” substitute “pi marked TPE”.

19. After regulation 21, insert—

“UK TPE - Periodic inspection and repeated use

21A.—(1) This regulation applies to UK TPE, for the purposes of its periodic inspections, intermediate inspections, exceptional checks and use.

(2) If the equipment bears a marking provided for in regulation 22B, it is to be subject to—

- (a) periodic inspection; and
- (b) if required by ADR or RID, intermediate inspection,

in accordance with the frequency identified as being applicable to that type of equipment in Chapter 6.2 of ADR or Chapter 6.2 of RID.

(3) The periodic inspection or, where necessary, intermediate inspection must be conducted by an appointed body.

(4) The date of the periodic inspection or intermediate inspection, must be marked on the equipment along with the identification number of the appointed body responsible for the inspection.”.

20.—(1) Regulation 22 (Periodic inspection and repeated use) is amended as follows.

(2) In the heading, after “Periodic inspection” insert “ - pi marked TPE”.

(3) In paragraph (1), for “transportable pressure equipment” substitute “pi marked TPE”.

(4) In paragraph (4), after “periodic inspections” insert “of pi marked TPE”.

(a) Current edition: 2012, ISBN 0580784545. Copies can be purchased from The Stationery Office shop (<https://www.tsoshop.co.uk/> or 0333 200 2425) or made available for inspection at the Department for Transport, Great Minster House, 33 Horseferry Road, London, SW1P 4DR.

21.—(1) After regulation 22, insert—

“Conversion of pi marked TPE to UK TPE

22A.—(1) This regulation applies to equipment—

- (a) that bears the marking referred to in articles 14 and 15 of the Transportable Pressure Equipment Directive;
- (b) that is due to be subject to a periodic or intermediate inspection in accordance with the requirements of the Dangerous Goods Directive;
- (c) that will, following the inspection, not be used for carriage within the territory of a member State of the EU, other than to the extent permitted by article 4 of the Dangerous Goods Directive; and
- (d) whose owner wishes it to be marked with the UK TPE marking.

(2) The inspection must be conducted by an appointed body.

(3) The equipment must be marked in accordance with regulation 22B and, adjacent to that marking, be marked with—

- (a) the date of the periodic inspection or, where appropriate, the intermediate inspection, and
- (b) the identification number of the appointed body responsible for the periodic or intermediate inspection.

UK TPE marking

22B.—(1) The Secretary of State must publish the form of the UK TPE marking as set out in Schedule 1A on the Gov.uk website (www.gov.uk)(a).

(2) Schedule 1A (UK TPE marking) has effect.

(3) The UK TPE marking may not be affixed to a product unless these Regulations provide for its affixing.”.

(2) After Schedule 1 (Placards, marks and plate markings for national carriage), insert new Schedule 1A, as set out in Schedule 1 to these Regulations.

22. For regulation 23 (Misleading and other markings), substitute—

“23.—(1) No person is to affix a marking on transportable pressure equipment which is likely to mislead third parties with regard to the meaning of the graphics of—

- (a) the UK TPE marking; or
- (b) the pi marking.

(2) Any other marking may be affixed to transportable pressure equipment provided that the visibility and legibility of—

- (a) the UK TPE marking; or
- (b) the pi marking

is not reduced.”.

Amendments to Part 6 (GB competent authority functions) and Schedule 3 (Appointments)

23.—(1) Regulation 29 (Appointments by the GB competent authority) is amended as follows.

(2) In paragraph (4)—

- (a) for “a notified body” substitute “an appointed body”;

(a) Copies are available for inspection at the Department for Transport (Dangerous Goods Division), Great Minster House, 33 Horseferry Road, London SW1HP 4DR.

- (b) For “the Dangerous Goods Directive”, substitute “the Annexes”; and
 - (c) for “articles 20 and 26 of the Transportable Pressure Equipment Directive.”, substitute “paragraph (4A).”.
- (3) After paragraph 4, insert—
- “(4A) An appointed body must—
- (a) be established in Great Britain; and
 - (b) satisfy the criteria set out in—

 - (ii) sub-section 1.8.6.8 of RID.”.
- 24.**—(1) Schedule 3 (Appointments) is amended as follows.
- (2) In paragraph 1(2), for “A fee” substitute “Subject to sub-paragraph (2A), a fee”.
- (3) After paragraph 1(2), insert—
- “(2A) No fee may be charged for an appointment to which paragraph 2A applies.”.
- (4) For paragraph 2(1), substitute—
- “(1) The GB competent authority must—
- (a) make any appointment in writing; and
 - (b) assign each appointed body an identification number.”.
- (5) After paragraph 2 (Appointment by the GB competent authority), insert—

“Appointment of notified bodies as appointed bodies

2A.—(1) An inspection body that, prior to IP completion day, was a notified body established only in Great Britain, must be appointed by the GB competent authority as an appointed body.

(2) Any conditions or limitation of appointment period imposed upon that body by virtue of paragraph 2(2) or (3) of this Schedule must continue to apply.

(3) The GB competent authority must assign to an appointed body the notified body identification number that had previously been assigned to them by the European Commission under article 23(1) of the Transportable Pressure Equipment Directive.”.

PART 3

Amendments applying to Northern Ireland

CHAPTER 1

Amendments to the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations (Northern Ireland) 2010

Amendment of Regulations

25. The Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations (Northern Ireland) 2010(a) are amended in accordance with regulations 26 to 47.

(a) S.R. 2010 No. 160, amended by S.R. 2011 No. 365 and 2019 No. 111. There are other amending instruments but none is relevant.

Amendments to Part 1 (Introductory Provisions)

26.—(1) In regulation 2 (Interpretation – General), the Table in paragraph 5 is amended as follows.

(2) After the definition of “ADR” insert—

“the Annexes”	Subject to paragraphs (6) and (7), Annexes I and II to the Dangerous Goods Directive.
“appointed body”	A body appointed to carry out inspections of and tests on transportable pressure equipment by— (a) the Northern Ireland competent authority under regulation 21; or (b) the GB competent authority, for the purposes of ADR and RID (as applicable).”

(3) After the definition of “armed forces” insert—

“certificate of conformity”	The document issued to confirm successful completion of a conformity assessment.”
-----------------------------	---

(4) For the row containing the expression and meaning of “conformity assessment”, substitute—

“conformity assessment”	The assessment and the procedure for assessment of conformity set out in— (a) the Annexes to the Dangerous Goods Directive, where the assessment by an appointed body will culminate in the equipment being marked with the UK TPE marking; or (b) the Directives, where the assessment by a notified body will culminate in the equipment being marked with the pi marking.”
-------------------------	---

(5) Omit the row containing the expression and meaning of “conformity mark”.

(6) For the row containing the expression and meaning of “the Dangerous Goods Directive”—

- (a) before “Directive” insert “Subject to paragraphs (6) and (7),”; and
- (b) for “as amended from time to time” substitute “as it had effect immediately before IP completion day”.

(7) For the row containing the expression and meaning of “the Directives”, for “The” substitute “Subject to paragraphs (6) and (7), the”.

(8) After the definition of “the Directives” insert—

“distributor”	Subject to regulation 15(3)(b) and (4)(b), any person established in the United Kingdom other than the manufacturer or the importer, who makes transportable pressure equipment, or parts thereof, available on the market.
“GB competent authority”	The competent authority in Great Britain, as determined by regulation 25 of the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009(a), under regulation 29 of those Regulations.
“importer”	Subject to regulation 15(3)(a) and (4)(a), a person who— (a) is established in the United Kingdom; and (b) places transportable pressure equipment or parts thereof from a country outside of the United Kingdom, on the market.

(a) S.I. 2009/1348, amended by S.I. 2011/1885. There are other amending instruments but none is relevant.

“making available on the market” and like expressions	Subsequent to the transportable pressure equipment being placed on the UK market, any supply of that equipment for distribution or use on that market in the course of a commercial or public service activity, whether in return for payment or free of charge.
“manufactured in series to a design type”	Equipment that is one of a series of products manufactured to the same design.
“manufacturer”	A person who— (a) manufactures transportable pressure equipment, or parts thereof, or who has such equipment designed or manufactured; and (b) markets it under their own name or trademark.”
(9) After the definition of “national carriage” insert—	
““notified body”	An inspection body appearing on the list published by the European Commission(a) pursuant to article 23(2) of the Transportable Pressure Equipment Directive.
“operator”	A person established in a relevant territory who uses transportable pressure equipment.
“owner”	A person established in the United Kingdom who owns transportable pressure equipment.
“pi marking”	The marking referred to in article 14 of the Transportable Pressure Equipment Directive, the form of which is set out in article 15 of that Directive.
“pi marked TPE”	Transportable pressure equipment bearing the pi marking.
“placing on the market” and like expressions	The first making available of transportable pressure equipment on the UK market.”
(10) For the row containing the expression and meaning of “relevant member State” substitute—	
““relevant territory”	Northern Ireland, Great Britain or a member State of the EU.”
(11) For the row containing the expression and meaning of “TPED competent authority”, for “or another member State of the EU” substitute “or a member State of the EU”.	
(12) For the row containing the expression and meaning of “the Transportable Pressure Equipment Directive”, after “and 1999/36/EC” insert “, as it had effect immediately before IP completion day”.	
(13) After the definition of “the Transportable Pressure Equipment Directive” insert—	
““UK TPE”	Transportable pressure equipment bearing the UK TPE marking.
“UK TPE marking”	The marking in the form published in accordance with regulation 18B.”
(14) After the Table in paragraph (5), insert—	
“(6) References to—	
(a) “the Annexes”;	
(b) “the Dangerous Goods Directive”; and	
(c) “the Directives”,	
are subject to the modification identified in paragraph (7).	

(a) Copies can be obtained at <http://ec.europa.eu/growth/tools-databases/nando/index.cfm> or made available for inspection at the Health and Safety Executive for Northern Ireland, 83 Ladas Drive, Belfast, BT6 9FR.

(7) (a) Section I.1 of Annex I; and

(b) Section II.1 of Annex II—

to the Dangerous Goods Directive are to be read as if “as applicable with effect from 1 January 2019,” had been omitted.”.

Amendments to Part 3 (Exemptions)

27.—(1) Regulation 8 (Derogations and transitional provisions) is amended as follows.

(2) For paragraph (2)(a) and (b), substitute—

“(a) implementing a derogation authorised under article 6(2) to (4) of and listed in—

(i) section I.3 of Annex I, or

(ii) section II.3 of Annex II

to the Dangerous Goods Directive that had effect immediately before IP completion day, subject to the modification in paragraph (2A); or

(b) maintaining a transitional provision permitted by article 7 of and listed in—

(i) section I.2 of Annex I, or

(ii) section II.2 of Annex II

to the Dangerous Goods Directive, subject to the modification in paragraph 2A; or
”.

(3) After paragraph (2), insert—

“(2A) The modification referred to in paragraphs (2)(a) and (b) apply to the identified sections of those Annexes to the Dangerous Goods Directive, and are that any reference to a member State is to be read as a reference to—

(a) the UK, or

(b) a member State of the EU.”.

28. In regulation 10(3)(b), for “conformity mark” substitute “pi marking”.

29. In regulation 11(6)(d)—

(a) for “or other EEA State” substitute “or an EEA State”, and

(b) for “regulation 17” substitute “regulations 16A and 17”.

Amendments to Part 4 (Transportable pressure equipment)

30.—(1) Regulation 15 (Scope of obligations) is amended as follows.

(2) In paragraph (1), after “that Directive”, insert “, subject to the modification in paragraph (1A)”.

(3) After paragraph (1), insert—

“(1A) The modification referred to in paragraph (1) is that the reference to “making it available on the market” in that article is to be read as a reference to making it available on the market, as defined by these Regulations.”.

(4) After paragraph (2), insert—

“(3) Where transportable pressure equipment has been—

(a) placed on the market by an importer; or

(b) made available on the market by a distributor

prior to IP completion day, references to those economic operators in the regulations identified in paragraph (4) include such economic operators established in a relevant territory.

(4) The regulations referred to in paragraph (3) are—

- (a) in respect of an importer—
 - (i) regulation 15CA(1)(b) and (2)(a),
 - (ii) regulation 15D(3)(a) and (4)(a), and
 - (iii) regulation 15E(2)(a), and
- (b) in respect of a distributor, regulation 15E(2)(a).”.

31. For regulation 15A(5) (General Obligations), substitute—

- “(5) The information must comply with—
- (a) the Annexes in respect of UK TPE; or
 - (b) the Directives in respect of pi marked TPE.”.

32. After regulation 15A, insert—

“Obligations of Manufacturers prior to placing equipment on the market

15AA.—(1) A manufacturer of equipment to be placed on the market must comply with paragraph (2) or (3).

(2) Where it is intended that the equipment becomes UK TPE, the manufacturer must—

- (a) ensure a conformity assessment is carried out by an appointed body;
- (b) mark equipment in accordance with regulation 18B; and
- (c) keep the technical documentation specified in—
 - (i) section 1.8.7 of ADR; or
 - (ii) section 1.8.7 of RID,for the period specified in those Agreements.

(3) Where it is intended that the equipment becomes pi marked TPE, the manufacturer must—

- (a) ensure a conformity assessment is carried out by a notified body;
- (b) mark equipment in accordance with articles 14 and 15 of the Transportable Pressure Equipment Directive; and
- (c) keep the technical documentation specified in the Dangerous Goods Directive for the period specified in that Directive.

Obligations of Manufacturers after placing UK TPE on the market

15AB.—(1) This regulation applies to equipment bearing the UK TPE marking that a manufacturer has placed on the market.

(2) Where a manufacturer knows or has reason to believe that the equipment does not comply with regulation 15AA(2) or the Annexes, that manufacturer must—

- (a) take immediate corrective measures to ensure that the equipment complies with—
 - (i) regulation 15AA(2); and
 - (ii) the Annexes;
- (b) withdraw the equipment from the market; or
- (c) issue a recall of the equipment.

(3) Where a manufacturer considers that the equipment presents a risk, that manufacturer must immediately inform the competent authority for any relevant territory on which the equipment has been placed of—

- (a) the risk, including providing details of any non-compliance with regulation 15AA(2) or the Annexes; and
- (b) any action taken in accordance with paragraph (2).

- (4) A manufacturer must record—
- (a) each instance of non-compliance with regulation 15AA(2) or the Annexes; and
 - (b) any corrective measure taken,

and must retain that record for at least 20 years from the date that the non-compliance is discovered.

(5) On receipt of a reasoned request from the Northern Ireland competent authority or GB competent authority, a manufacturer must—

- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) regulation 15AA(2); and
 - (ii) the Annexes; and
- (b) cooperate with that authority in any action it takes to eliminate risks posed by that equipment.”.

33.—(1) Regulation 15B (Obligations of Manufacturers) is amended as follows.

(2) In the heading, after “Manufacturers” insert “after placing pi marked TPE on the market”.

(3) For paragraph (1), substitute—

“(1) This regulation applies to equipment bearing the pi marking that a manufacturer has placed on the market.”.

(4) In paragraph (2), after “that equipment” insert “bearing the pi marking that”.

(5) In paragraph (3), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been placed”.

(6) Omit paragraph (6).

34. After regulation 15B, insert—

“Application of regulations 15AA to 15B to Importers or Distributors

15BA. Regulations 15AA to 15B apply to an importer or a distributor as if that person were a manufacturer where the importer or distributor—

- (a) places equipment on the market under the importer or distributor’s own name or trademark; or
- (b) modifies equipment already placed on the market in such a way that it may affect compliance—
 - (i) of UK TPE with these Regulations or the Annexes; or
 - (ii) of pi marked TPE with the Directives.

Obligations of Importers prior to placing equipment on the market

15BB.—(1) Before placing equipment on the market, an importer must ensure that—

- (a) the equipment has been marked in accordance with—
 - (i) regulation 18B; or
 - (ii) articles 14 and 15 of the Transportable Pressure Equipment Directive;
- (b) the manufacturer has complied with conformity assessment and drawn up the technical documentation in accordance with—
 - (i) the Annexes, in respect of UK TPE; or
 - (ii) the Dangerous Goods Directive, in respect of pi marked TPE; and
- (c) the certificate of conformity for the equipment either contains the name and address of the importer or has this information attached to it.

(2) Where an importer considers that equipment presents a risk before it has been placed on the market, that importer must inform the manufacturer and the Health and Safety Executive for Northern Ireland of the risk.

Obligations of Importers after placing UK TPE on the market

15BC.—(1) This regulation applies to equipment bearing the UK TPE marking that an importer has placed on the market.

(2) The importer must ensure that—

- (a) the conditions in which equipment under the responsibility of the importer is stored and transported do not jeopardise the equipment's compliance with the Annexes; and
- (b) the technical documentation specified in the Annexes is kept for the period set out in that Directive.

(3) Where an importer knows or has reason to believe that equipment it has placed on the market does not comply with—

- (a) this regulation;
- (b) regulation 15BB(1)(a)(i), (b)(i) or (c); or
- (c) the Annexes,

that importer must act as required by paragraph (4).

(4) The actions required by paragraph (3) are to—

- (a) take immediate corrective measures to ensure that the equipment complies with—
 - (i) this regulation;
 - (ii) regulation 15BB(1)(a)(i), (b)(i) or (c); and
 - (iii) the Annexes;
- (b) withdraw the equipment from the market; or
- (c) issue a recall of the equipment.

(5) Where an importer considers that equipment it has placed on the market presents a risk, that importer must immediately inform the manufacturer, the Northern Ireland competent authority and GB competent authority of the risk, including details of any non-compliance with—

- (a) this regulation;
- (b) regulation 15BB(1)(a)(i), (b)(i) or (c); or
- (c) the Annexes,

and any action taken in accordance with paragraph (4).

(6) An importer must record each instance of non-compliance with—

- (a) this regulation;
- (b) regulation 15BB(1)(a)(i), (b)(i) or (c); or
- (c) the Annexes,

and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.

(7) On receipt of a reasoned request from, the Northern Ireland competent authority or GB competent authority, an importer must—

- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) this regulation;
 - (ii) regulation 15BB(1)(a)(i), (b)(i) or (c); and

(iii) the Annexes;

(b) cooperate with that authority in any action taken to eliminate risks posed by that equipment.”.

35.—(1) Regulation 15C (Obligations of Importers) is amended as follows.

(2) In the heading, after “Importers” insert “after placing pi marked TPE on the market”.

(3) Before paragraph (1), insert—

“(A1) This regulation applies to equipment bearing the pi marking that a manufacturer has placed on the market.”.

(4) In paragraph (1), omit sub-paragraphs (a) to (c).

(5) Omit paragraph (3).

(6) In paragraph (4), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been placed”.

36. After regulation 15C, insert—

“Obligations of Distributors prior to making equipment available on the market

15CA.—(1) Before making transportable pressure equipment available on the market, a distributor must ensure that—

(a) the equipment has been marked in accordance with—

(i) regulation 18B; or

(ii) articles 14 and 15 of the Transportable Pressure Equipment Directive; and

(b) the certificate of conformity for the equipment either contains the name and address of the importer or has this information attached to it.

(2) Where a distributor considers that equipment presents a risk before it has been made available on the market, that distributor must inform—

(a) the manufacturer or the importer; and

(b) the Health and Safety Executive for Northern Ireland

of the risk.

Obligations of Distributors after making UK TPE available on the market

15CB.—(1) This regulation applies to equipment bearing the UK TPE marking that a distributor has made available on the market.

(2) The distributor must ensure that the conditions in which equipment under the responsibility of the distributor is stored and transported do not jeopardise the equipment’s compliance with the Annexes.

(3) Where a distributor knows or has reason to believe that equipment does not comply with—

(a) this regulation;

(b) regulation 15CA(1)(a)(i) or (b); or

(c) the Annexes,

that distributor must act as required by paragraph (4).

(4) The actions required by paragraph (3) are to—

(a) take immediate corrective measures to ensure that the equipment complies with—

(i) this regulation;

(ii) regulation 15CA(1)(a)(i) or (b); and

(iii) the Annexes;

- (b) withdraw the equipment from the market; or
- (c) issue a recall of the equipment.

(5) Where a distributor considers that equipment it has made available on the market presents a risk, that distributor must immediately inform the manufacturer, the Northern Ireland competent authority and GB competent authority of the risk, including details of any non-compliance with—

- (a) this regulation;
- (b) regulation 15CA(1)(a)(i) or (b); or
- (c) the Annexes,

and any action taken in accordance with paragraph (4).

(6) A distributor must record each instance of non-compliance with—

- (a) this regulation;
- (b) regulation 15CA(1)(a)(i) or (b); or
- (c) the Annexes,

and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.

(7) On receipt of a reasoned request from the Northern Ireland competent authority or GB competent authority, a distributor must—

- (a) provide that authority with all information and documents necessary to show that the equipment meets the requirements of—
 - (i) this regulation;
 - (ii) regulation 15CA(1)(a)(i) or (b); and
 - (iii) the Annexes;
- (b) cooperate with that authority in any action taken to eliminate risks posed by that equipment.”.

37.—(1) — Regulation 15D (Obligations of Distributors) is amended as follows.

(2) In the heading, after “Distributors” insert “after making pi marked TPE available on the market”.

(3) Before paragraph (1), insert—

“(A1) This regulation applies to equipment bearing the pi marking that a distributor has made available on the market.”.

(4) For paragraph (1), substitute—

“(1) A distributor must ensure that the conditions in which equipment under the responsibility of the distributor is stored and transported do not jeopardise the equipment’s compliance with the Directives.”.

(5) Omit paragraph (3).

(6) In paragraph (4)(b), for “in any relevant member State” substitute “for any relevant territory on which the equipment has been made available”.

38.—(1) Regulation 15E (Obligations of Owners) is amended as follows.

(2) After paragraph (2), insert—

“(2A) An owner of UK TPE must record each instance of non-compliance with—

- (a) this regulation;
- (b) regulation 17A; or
- (c) the Annexes,

and any corrective measure taken and must retain that record for at least 20 years from the date that the non-compliance is discovered.”

(3) In paragraph (3), after “An owner” insert “of pi marked TPE”.

39.—(1) Regulation 16 (Authorised Representatives) is amended as follows.

(2) For paragraph (1), substitute—

“(1) Subject to paragraph (3), a manufacturer may appoint in writing a person established in a relevant territory (“an authorised representative”) to carry out some or all of the duties imposed on the manufacturer by—

- (a) regulations 15A, 15AB and 15AC in respect of equipment that bears, or will bear, the UK TPE marking; or
- (b) regulations 15A, 15AB and 15B in respect of equipment that bears, or will bear, the pi marking.”.

(3) For paragraphs (2)(b) and (c), substitute—

“(b) in respect of UK TPE—

- (i) providing to the Northern Ireland competent authority or GB competent authority, in response to a reasoned request, the information and documents necessary to show that the equipment meets the requirements of these Regulations and the Annexes; and
- (ii) cooperating with those competent authorities in any action they take to eliminate risks posed by the equipment; and

(c) in respect of pi marked TPE—

- (i) providing to a TPED competent authority, in response to a reasoned request and in a language that it easily understands, the information and documents necessary to show that the equipment meets the requirements of the Directives; and
- (ii) cooperating with that competent authority in any action they take to eliminate risks posed by the equipment.”.

(4) In paragraph (3), for “15B(1)(a) or 15B(1)(b)” substitute “15AA(2)(a), (2)(b), (3)(a) or (3)(b)”.

(5) For paragraph (5), substitute—

“(5) An authorised representative must only provide information to an operator that complies with the requirements of—

- (a) the Annexes in respect of UK TPE; or
- (b) the Directives in respect of pi marked TPE.”.

40. After regulation 16, insert—

“Reassessment of conformity – UK TPE

16A.—(1) This regulation applies to transportable pressure equipment which does not bear the conformity markings provided for in—

- (a) regulation 18B;
- (b) the Transportable Pressure Equipment Directive; or
- (c) Council Directive 1999/36/EC of 29 April 1999 on transportable pressure equipment(a),

for the purposes of reassessment of conformity.

(2) Equipment may be reassessed for conformity in accordance with this regulation.

(3) The equipment is to be—

(a) OJ No. L 138, 1.6.1999, p. 20-56.

- (a) reassessed by a type A appointed body in accordance with the procedure set out in Annex III to the Transportable Pressure Equipment Directive, subject to the modifications in paragraph (6); and
 - (b) inspected by an appointed body appointed for periodic inspection of that equipment and marked in accordance with the requirements of regulation 18B.
- (4) If a pressure receptacle has been manufactured in series to a design type for which a—
- (a) type A notified body notified for; or
 - (b) type A appointed body appointed for

reassessment of conformity has issued a certificate of type reassessment, the reassessment of conformity may be undertaken by an appointed body appointed for periodic inspection of that pressure receptacle.

(5) In this regulation—

- (a) “certificate of type reassessment” means a certificate issued in accordance with paragraph 6 of Annex III to the Transportable Pressure Equipment Directive, subject to the modifications in paragraph (6); and
- (b) “type A appointed body” means an appointed body conforming to standard EN ISO/IEC 17020 type A(a) as revised or reissued from time to time.

(6) The modifications referred to in paragraphs (3)(a) and (5)(a) apply to Annex III to the Transportable Pressure Equipment Directive and are that—

- (a) any reference to “a notified body” is to be read as a reference to an appointed body;
- (b) any reference to a “type A notified body” is to be read as a reference to a type A appointed body;
- (c) any reference to “notified” is to be read as a reference to appointed;
- (d) any reference to the “pi marking” is to be read as a reference to the UK TPE marking; and
- (e) any reference to “Member States” is to be read as a reference to the Northern Ireland competent authority.”.

41.—(1) Regulation 17 (Reassessment of conformity) is amended as follows.

(2) In the heading, after “Reassessment of conformity” insert “ - pi marked TPE”.

(3) In paragraph (1), for “transportable pressure equipment” substitute “pi marked TPE”.

42. After regulation 17, insert—

“UK TPE - Periodic inspection and repeated use

17A.—(1) This regulation applies to UK TPE, for the purposes of its periodic inspections, intermediate inspections, exceptional checks and use.

(2) If the equipment bears a marking provided for in regulation 18B, it is to be subject to—

- (a) periodic inspection; and
- (b) if required by ADR or RID, intermediate inspection,

in accordance with the frequency identified as being applicable to that type of equipment in Chapter 6.2 of ADR or Chapter 6.2 of RID.

(3) The periodic inspection or, where necessary, intermediate inspection must be conducted by an appointed body.

(a) Current edition: 2012, ISBN 0580784545. Copies can be purchased from The Stationery Office shop (<https://www.tsoshop.co.uk/> or 0333 200 2425) or made available for inspection at the Health and Safety Executive for Northern Ireland, 83 Ladas Drive, Belfast, BT6 9FR.

(4) The date of the periodic inspection or intermediate inspection, must be marked on the equipment along with the identification number of the appointed body responsible for the inspection.”.

43.—(1) Regulation 18 (Periodic inspection and repeated use) is amended as follows.

(2) In the heading, after “Periodic inspection” insert “ - pi marked TPE”.

(3) In paragraph (1), for “transportable pressure equipment” substitute “pi marked TPE”.

(4) In paragraph (4), after “periodic inspections” insert “of pi marked TPE”.

44.—(1) After regulation 18, insert—

“Conversion of pi marked TPE to UK TPE

18A.—(1) This regulation applies to equipment—

- (a) that bears the marking referred to in articles 14 and 15 of the Transportable Pressure Equipment Directive;
- (b) that is due to be subject to a periodic or intermediate inspection in accordance with the requirements of the Dangerous Goods Directive;
- (c) that will, following the inspection, not be used for carriage within the territory of a member State of the EU, other than to the extent permitted by article 4 of the Dangerous Goods Directive; and
- (d) whose owner wishes it to be marked with the UK TPE marking.

(2) The inspection must be conducted by an appointed body.

(3) The equipment must be marked in accordance with regulation 18B and, adjacent to that marking, be marked with—

- (a) the date of the periodic inspection or, where appropriate, the intermediate inspection, and
- (b) the identification number of the appointed body responsible for the periodic or intermediate inspection.

UK TPE marking

18B.—(1) The Department for the Economy must publish the form of the UK TPE marking as set out in Schedule 1A on its website (<https://www.economy-ni.gov.uk>)(a).

(2) Schedule 1A (UK TPE marking) has effect.

(3) The UK TPE marking may not be affixed to a product unless these Regulations provide for its affixing.”.

(2) After Schedule 1 (Placards, marks and plate markings for national carriage), insert new Schedule 1A, as set out in Schedule 2 to these Regulations.

45. For regulation 19 (Misleading and other markings), substitute—

“19.—(1) No person is to affix a marking on transportable pressure equipment which is likely to mislead third parties with regard to the meaning of the graphics of—

- (a) the UK TPE marking; or
- (b) the pi marking.

(2) Any other marking may be affixed to transportable pressure equipment provided that the visibility and legibility of—

- (a) the UK TPE marking; or

(a) Copies are available for inspection at the Department for the Economy, Netherleigh, Massey Avenue, Belfast, BT4 2JP.

- (b) the pi marking is not reduced.”.

Amendments to Part 6 (Northern Ireland competent authority functions) and Schedule 4 (Appointments)

46.—(1) Regulation 25 (Appointments by the Northern Ireland competent authority) is amended as follows.

- (2) In paragraph (4)—
 - (a) for “a notified body” substitute “an appointed body”;
 - (b) For “the Dangerous Goods Directive”, substitute “the Annexes”; and
 - (c) for “articles 20 and 26 of the Transportable Pressure Equipment Directive.”, substitute “paragraph (4A).”.
- (3) After paragraph 4, insert—
 - “(4A) An appointed body must—
 - (a) be established in Northern Ireland; and
 - (b) satisfy the criteria set out in—
 - (i) sub-section 1.8.6.8 of ADR; or

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are made in exercise of the powers conferred by section 8(1) of the European Union (Withdrawal) Act 2018 (c. 16) in order to address failures of retained EU law to operate effectively and other deficiencies (in particular under sections 8(2)(a), (b), (d), (e), (g) and 23(1) and paragraph 21(b) of Schedule 7) arising from the withdrawal of the UK from the European Union.

These Regulations make amendments to secondary legislation in the field of the carriage of dangerous goods by road and rail and, in particular, amend legislation relating to the inspection of transportable pressure equipment used in Great Britain and Northern Ireland. Part 2 amends the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009 in respect of Great Britain. Part 3 amends and The Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations (Northern Ireland) 2010 and the Carriage of Explosives Regulations (Northern Ireland) 2010, both of which only apply to Northern Ireland.

A full impact assessment has not been prepared for this instrument as no, or no significant impact on the private, voluntary or public sectors is foreseen.

An Explanatory Memorandum has been prepared for these Regulations and is available alongside this instrument at www.legislation.gov.uk.
