Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

This part surrender notice permits the removal of the storage area in Building 22, the building and associated surrounding area from the permit as a low risk surrender.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
