

Case No: 2303102/2017 &
2206758/2018

THE EMPLOYMENT TRIBUNAL

Claimant **Miss S Messi**
Respondent **Susan Mann and Others**

JUDGMENT

The Claimant's application contained in emails of 18 and 20 February 2020 for reconsideration of the judgment sent to the parties on 18 February 2020 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. As indicated in the said judgment, there was unsatisfactory evidence of the Claimant's reason for requesting a postponement of the hearing. That request was refused and the Claimant was aware that the hearing was going ahead but chose not to attend or submit written representations. In those circumstances, the Tribunal was entitled to deal with the matter in the Claimant's absence. The tribunal took into account the submissions made on behalf of the Respondents and its conclusions are set out in the detailed judgment and reasons. The Claimant's application does not disclose any arguable basis to reconsider the judgment.
