Mr N Mehdinejad

Royal Mail Group Ltd

## JUDGMENT OF THE EMPLOYMENT TRIBUNAL

SITTING AT: London Central

ON: 24 February 2020

BEFORE: Employment Judge A M Snelson (in chambers)

On reading the documents on the Tribunal file;  
And the Claimant and Respondents being agreed that the Claimant's employment by the Respondents has not ended and is continuing;

The complaint of unfair dismissal is struck out.

### REASONS

1. By his claim form the Claimant complains of (among other things) unfair dismissal.
2. That claim is impossible unless there has been a dismissal.
3. Following a case management hearing on 24 February 2020, it is clear that the parties agree that there has been no dismissal and the Claimant's employment continues.
4. Accordingly, the complaint of unfair dismissal must be struck out for want of jurisdiction and/or as an abuse of process and/or on the ground that it has no reasonable prospect of success.
5. The likelihood of a striking-out order was explained to the Claimant at the hearing on 24 February and he raised no argument against it.
