

Cervical screening: histopathology reporting handbook

List of SNOMED codes for cervical histopathology

Short list of SNOMED codes

	SNOMED	MORPHOLOGY	SNOMED CT
Inadequate	M-09000	Inadequate (qualifier value)	71978007
Normal histology findings	M-00100	Normal histology findings	309162003
Human Papilloma Virus infection	M-76630 M-76720 M-67090	Anogenital Human Papilloma Virus infection	302812006
CIN 1	M-80770	Grade 1 intraepithelial neoplasia	450595003
CIN 2	M-80771	Grade 2 intraepithelial neoplasia	400049009
CIN 3	M-80772	Grade 3 intraepithelial neoplasia	20365006
CGIN	M-81402	Adenocarcinoma in situ	51642000
Squamous carcinoma	M-80703	Squamous carcinoma	28899001
Adenocarcinoma	M-81403	Adenocarcinoma	35917007

List of SNOMED codes

Epithelial tumours	SNOMED	MORPHOLOGY	SNOMED CT
Squamous cell tumours and precursors			
Squamous intraepithelial lesions			

Squamous intraepithelial neoplasia grade 1 - CIN 1	M-80770	Squamous intraepithelial neoplasia, grade 1 (morphologic abnormality)	450595003
Squamous intraepithelial neoplasia grade 2 – CIN 2	M-80771	Squamous intraepithelial neoplasia grade 2 (morphologic abnormality)	400049009
Squamous intraepithelial neoplasia grade 3 - CIN 3	M-80772	Squamous intraepithelial neoplasia, grade III (morphologic abnormality)	20365006
Squamous cell carcinoma, NOS,	M-80703	Squamous cell carcinoma, no International Classification of Diseases for Oncology subtype (morphologic abnormality)	28899001
Keratinizing	M-80713	Squamous cell carcinoma, keratinizing (morphologic abnormality)	18048008
Non-keratinizing	M-80723	Squamous cell carcinoma, large cell, nonkeratinizing (morphologic abnormality)	45490001
Papillary	M-80523	Papillary squamous cell carcinoma (morphologic abnormality)	39056008
Basaloid	M-80833	Basaloid squamous cell carcinoma (morphologic abnormality)	128634009
Warty	M-80513	Verrucous carcinoma (morphologic abnormality)	89906000
Verrucous	M-80513	Verrucous carcinoma (morphologic abnormality)	89906000
Squamo-transitional	M-81203	Transitional cell carcinoma (morphologic abnormality)	27090000

Lymphoepithelioma-like	M-80823	Lymphoepithelial carcinoma (morphologic abnormality)	7300000
Squamous papilloma	M-80520	Squamous cell papilloma (morphologic abnormality)	63451008
Glandular tumours and precursors			
Adenocarcinoma in situ - CGIN	M-81402	Adenocarcinoma in situ (morphologic abnormality)	51642000
Adenocarcinoma	M-81403	Adenocarcinoma, no subtype (morphologic abnormality)	35917007
Endocervical adenocarcinoma, usual type	M-81403	Adenocarcinoma, no subtype (morphologic abnormality)	35917007
Mucinous carcinoma, NOS,	M-84803	Mucinous adenocarcinoma (morphologic abnormality)	72495009
Gastric type	M-84823	Mucinous adenocarcinoma, endocervical type (morphologic abnormality)	128695008
Intestinal type	M-81443	Adenocarcinoma, intestinal type (morphologic abnormality)	25190001
Signet ring cell type	M-84903	Signet ring cell carcinoma (morphologic abnormality)	87737001
Villoglandular carcinoma	M-82633	Adenocarcinoma in tubulovillous adenoma (morphologic abnormality)	5658009
Endometrioid carcinoma	M-83803	Endometrioid carcinoma (morphologic abnormality)	30289006
Clear cell carcinoma	M-83103	Clear cell adenocarcinoma (morphologic abnormality)	30546008

Serous carcinoma	M-84413	Serous cystadenocarcinoma (morphologic abnormality)	90725004
Mesonephric carcinoma	M-91103	Mesonephroma, malignant (morphologic abnormality)	2221008
Adenocarcinoma admixed with			
neuroendocrine carcinoma	M-85743	Adenocarcinoma with neuroendocrine differentiation (morphologic abnormality)	128704005
Other epithelial tumours			
Adenosquamous carcinoma	M-85603	Adenosquamous carcinoma (morphologic abnormality)	59367005
Glassy cell carcinoma	M-80153	Glassy cell carcinoma (morphologic abnormality)	128630000
Adenoid basal carcinoma	M-80983	Adenoid basal carcinoma (morphologic abnormality)	128637002
Adenoid cystic carcinoma	M-82003	Adenoid cystic carcinoma (morphologic abnormality)	11671000
Undifferentiated carcinoma	M-80203	Carcinoma, undifferentiated (morphologic abnormality)	38549000
Neuroendocrine tumours			
Carcinoid tumour	M-82403	Carcinoid tumour no International Classification of Diseases for Oncology subtype (morphologic abnormality)	81622000

Atypical carcinoid tumour	M-82493	Atypical carcinoid tumour (morphologic abnormality)	128658008
High grade neuroendocrine carcinoma			
Small cell neuroendocrine carcinoma	M-80413	Small cell carcinoma (morphologic abnormality)	74364000
Large cell neuroendocrine carcinoma	M-80133	Large cell neuroendocrine carcinoma (morphologic abnormality)	128628002
Mesenchymal tumours and tumour-like lesions			
Leiomyoma	M-88900	Leiomyoma, no International Classification of Diseases for Oncology subtype (morphologic abnormality)	44598004
Rhabdomyoma	M-89050	Genital rhabdomyoma (morphologic abnormality)	128748000
Others			
Malignant			
Leiomyosarcoma	M-88903	Leiomyosarcoma, no subtype (morphologic abnormality)	51549004
Rhabdomyosarcoma	M-89103	Embryonal rhabdomyosarcoma (morphologic abnormality)	14269005
Alveolar soft part sarcoma	M-95813	Alveolar soft part sarcoma (morphologic abnormality)	88195001
Angiosarcoma	M-91203	Hemangiosarcoma (morphologic abnormality)	39000009
Malignant peripheral nerve sheath tumour	M-95403	Malignant peripheral nerve sheath tumour (morphologic abnormality)	19897006

Other sarcomas			
Liposarcoma	M-88503	Liposarcoma, no International Classification of Diseases for Oncology subtype (morphologic abnormality)	49430005
Undifferentiated endocervical sarcoma	M-88053	Undifferentiated sarcoma (morphologic abnormality)	128734000
Ewing sarcoma	M-93643	Peripheral neuroectodermal tumour (morphologic abnormality)	73676002
Mixed epithelial and mesenchymal tumours			
Adenomyoma	M-89320	Adenomyoma (morphologic abnormality)	40293003
Adenosarcoma	M-89333	Adenosarcoma (morphologic abnormality)	31470003
Carcinosarcoma	M-89803	Carcinosarcoma (morphologic abnormality)	63264007
