[REDACTED]

17 December 2019

Ref. FOI/13262

Dear [REDACTED],

Thank you for your letter of 17 November 2019 requesting the following information:

*"Please can you supply me with all records you possess relating to current and historic locations of fire hydrants and/or emergency reservoirs and tanks situated on and around the Salisbury Plain Training Area (from Porton Down in the South to Devizes in the North and from Warminster in the West to Thruxton in the East). It would be very helpful if your list of defunct and extant hydrants could also be shown on a map for ease of reference.*

*Is there any information relating to Stidston's Field Barn Reservoir (Danger Post No.13 Artillery Range) which became derelict by the 1940's and was renamed Cherry Tree Farm Wood, situated on the Ridgway Road half a mile or so west of Wexland Farm, Netheravon."*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence (MOD) and I can confirm that some information in scope of your request is held.

In relation to the first question in your request, this information can be found at Annex A, although the MOD does not hold the co-ordinates for all Service Reservoirs, Emergency Water Supplies and Hydrants.

The MOD does not hold the information you have requested in a map format.

In relation to the second question in your request, for information relating to Stidston Field Barn Reservoir, I can confirm that no information is held relating to this.

If you have any queries regarding the content of this letter, please contact this office in the first instance.

If you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail [CIO-FOI-IR@mod.gov.uk](mailto:CIO-FOI-IR@mod.gov.uk)). Please note that any request for an internal review should be made in writing within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

DIO Secretariat
