RESPONDENT

## JUDGMENT

The Claimant's application for reconsideration is refused.

## REASONS

1. By an email dated 1 March 2020, which was copied to the legal representative for the Respondent, the Claimant seeks a reconsideration of the Reserved Judgment sent to the parties on 29 February 2020. That Judgment dismissed claims brought pursuant to the Equality Act 2010 and for wrongful dismissal.
2. Having looked through the application for reconsideration, the Claimant appears to have indicated everything in the written reasons which she disagrees with. At the hearing the Tribunal considered the evidence very carefully before reaching its decision. The Claimant has raised nothing in her application which has persuaded me that there is any prospect of the original decision being varied or revoked.
3. Accordingly, the application for reconsideration is refused.
