April 2020

CfD Allocation Round 4 Consultation Online Webinars

The [Consultation on proposed changes to the Contracts for Difference \(CfD\) scheme](#) ahead of the next allocation round is open for 12 weeks and will close on 22 May 2020. To help participants understand consultation proposals in more depth, and to offer consultees the opportunity to ask questions, BEIS will be hosting a series of online consultation events within the next few weeks. Due to current restrictions in place events will be hosted online, with further details sent to attendees in due course.

Three online events will be hosted on the following dates:

- **Thursday 30 April 13:00 – 16:30** – This session will focus on proposals relevant to ‘established’ or ‘Pot 1’ technologies, including onshore wind, solar pv and hydro.
- **Monday 4 May 13:00 – 16:30** – This session will focus on proposals relevant to ‘less-established’ or ‘Pot 2’ technologies, including remote island wind, offshore wind and advanced conversion technologies.
- **Wednesday 6 May 10:00 – 12:30** – This supplementary session will cover proposals relevant to all technologies.

If you would like to attend any of these events please **email** BEISContractsforDifference@beis.gov.uk letting us know which event(s) you wish to join. You will then later be sent an invite with instructions on how to join the online event. If you would like to register on behalf of any colleagues, please include any email addresses in your response or otherwise pass these instructions on.

If you are unable to attend these events and would like further assistance in responding to the consultation please contact us at BEISContractsforDifference@beis.gov.uk.

Thank You,

This stakeholder bulletin is being circulated to people who have opted in to the Contract for Difference stakeholder contact list. We issue these stakeholder bulletins as a convenience to interested parties; however, it is not in any way essential to be on this list to participate in major consultations or allocation rounds.

Purpose & scope of this list: This list is managed by the Department for Business, Energy and Industrial Strategy (BEIS) (and any successor departments) and will be used to inform interested parties of policy developments relevant to the Contract for Difference scheme for renewable energy projects (and any direct successor schemes). It is not used for any other purposes.

To be removed from the circulation list: Please send a blank e-mail with the subject 'opt out' (if the receiving e-mail you use is different to the one you send the e-mail from, include that e-mail address in the subject of the e-mail) to BEISContractsForDifference@beis.gov.uk.

If you have received this indirectly and want to be added to this list: Send a blank e-mail with the subject line 'opt in' to BEISContractsForDifference@beis.gov.uk. You can withdraw your consent to opt in at any time. We will normally keep your address on this list until you: a) withdraw your consent to opt in, b) the scheme closes without any successor, c) we receive reports your email address is no longer operational, or d) you do not respond to a periodic request from us to reconfirm your desire to opt in.
