

General Development Control (CPS1 and CPS2) Form for 2019-20

General Development Control Return - CPS1 & CPS2

The CPS1 and CPS2 forms collect information about the range of county matter applications that county matter planning authorities handle when exercising their development management functions. **Only applications relating to county matters should be recorded on the CPS1/2 form (with the exception of Questions 5 and 7).** Any authorities with responsibility for district matters should record all district matter applications on the PS1/2 form. Full definitions and guidance are attached to the DELTA notification email.

The **CPS1 form** is concerned with county matter applications and collects summary information about the number of planning and related applications on hand at the beginning of the quarter, received, withdrawn, called in or turned away during the quarter; the number of decisions and delegated decisions; and information on specific types of applications such as applications accompanied by Environmental Statements, Regulation 3 and 4 consents, decisions on applications for prior approval, determinations applications and enforcement action.

The **CPS2 form** collects more details about the decisions made during the quarter, broken down by:

- a. development type
- b. whether permission / consent was granted or refused; and
- c. the time taken from application to decision

General Development Control CPS1
