Dear Colleague

I am pleased to enclose your Funding Allocation Pack for the Academic Year 2013/14. I hope that the information we have shared with you about the funding reforms themselves and the key dates and data has been helpful.

The Funding Statement in the Pack shows your School Budget Share, Education Services Grant (ESG) and Minimum Funding Guarantee (MFG). The guidance notes in your Pack have been developed with the support of a number of academies and I am grateful for their advice.

In summary, the funding allocation we are sending now is based on the local authority pro forma returns discussed in the School Forum and on pupil numbers. Both of which we shared with you earlier this year. Additional information about funding for 2013/14 is available on our website and a link to this information is provided in the attached material.

If you have any questions on the contents of your Pack please contact us as soon as possible, and no later than two weeks from the date of this letter Enquiries should be addressed to [academyquestions@efa.education.gov.uk](mailto:academyquestions@efa.education.gov.uk).

Subject to any queries, we will write to you again towards the end of March to confirm your 2013/14 allocation.

Yours faithfully

**Sue Baldwin**
