v Inspire 2 Independence (i2i) Ltd
(in administration)

Heard: Remote hearing

On: 16 April 2020

Before:

Employment Judge JM Wade

Ms J Lancaster

Mr M Taj

Appearances:

For the Claimants: Not required to attend

For the Respondent: Not required to attend

This has been a remote hearing by telephone in respect of which there were no objections. A face to face hearing was not held because Presidential Guidance had directed that could not occur until July at the earliest. I directed conversion to this telephone hearing and invited written representations. None were received. The Tribunal completed its deliberations today by telephone on the basis of papers only and gave the Judgment below. This is the last matter to be determined in a multiple case which has concerned redundancies and transfers of staff following a business administration.

REMEDY JUDGMENT

The respondent shall pay to the claimants the following compensatory sums, an award of eight weeks' pay (gross), following our earlier declaration that their TUPE Regulation 15 (1) complaint is well founded:

Miss E Taylor: £4176

Miss AJ Barker: £3430

Mrs K Fletcher: £3423

Mrs V Cross: £3462

Mr G Hicks: £3462

Case Number: 1802442/2019 and others (see attached schedule)(A)
