GENERAL INFORMATION

As per previous correspondence from the Department, the initial estimate, which will generate subsidy payments from April to September and the mid year estimate which will generate subsidy payments from October to March, is a PDF form. It is enclosed in the e-mail enclosing these guidance notes, which give, as in previous years, explanations regarding the expenditure to be entered in each cell. If you have any questions on these explanations, please contact the office noted on the covering letter attached to these notes.

The initial estimate form should be completed as per the separate guidance already issued.
