1	1	Q2. How much thought, if any, would you say you give to saving energy in your home?	Base: All Adults in UK	1851
7	2	Q3. Do you support or oppose the use of renewable energy for providing our electricity, fuel and heat.	Base: All Adults in UK	1851
16	3	Q4. How often, if at all, do you personally do any of the following? - Summary table	Base: All Adults in UK	1851
17	4	Q4_01. How often, if at all, do you personally do any of the following? - Leave the lights on when you are not in the room	Base: All Adults in UK	1851
26	5	Q4_02. How often, if at all, do you personally do any of the following? - Boil the kettle with more water than you are going to use	Base: All Adults in UK	1851
35	6	Q4_03. How often, if at all, do you personally do any of the following? - Wash clothes at 30 degrees or lower	Base: All Adults in UK	1851
44	7	Q4_04. How often, if at all, do you personally do any of the following? - Try to keep rooms that you are not using at a cooler temperature than those you are using	Base: All Adults in UK	1851
53	8	Q4_05. How often, if at all, do you personally do any of the following? - Leave the heating on when you go out for a few hours	Base: All Adults in UK	1851
62	9	Q4_DV. Whether respondent carries out all energy wasting behaviours at least occasionally.	Base: All Adults in UK	1851
71	10	Q8. Before today, had you heard of smart meters?	Base: All Adults in UK	1851
76	11	Q12. Please tell me how much you agree or disagree with each of these statements - Summary table	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	77	12	Q12_01. Please tell me how much you agree or disagree with each of these statements - Renewable energy industries and developments provide economic benefits to the UK	Base: All Adults in UK	1851
	85	13	Q12_02. Please tell me how much you agree or disagree with each of these statements - I would be happy to have a large scale renewable energy development in my area	Base: All Adults in UK	1851
	93	14	Q12_03. Please tell me how much you agree or disagree with each of these statements - Renewable energy developments should provide direct benefit to the communities in which they are located	Base: All Adults in UK	1851
	101	15	Q13. Generally speaking, do you support or oppose the use of the following renewable energy developments - Summary table	Base: All Adults in UK	1851
	102	16	Q13_01. Generally speaking, do you support or oppose the use of the following renewable energy developments - On-shore wind	Base: All Adults in UK	1851
	110	17	Q13_02. Generally speaking, do you support or oppose the use of the following renewable energy developments - Biomass	Base: All Adults in UK	1851
	118	18	Q13_03. Generally speaking, do you support or oppose the use of the following renewable energy developments - Off-shore wind	Base: All Adults in UK	1851
	126	19	Q13_04. Generally speaking, do you support or oppose the use of the following renewable energy developments - Wave and tidal	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	134	20	Q13_05. Generally speaking, do you support or oppose the use of the following renewable energy developments - Solar	Base: All Adults in UK	1851
	142	21	Q14. Please just tell me how much you agree or disagree with the following statements. - Summary table	Base: All Adults in UK	1851
	143	22	Q14_01. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy will help combat climate change in the UK	Base: All Adults in UK	1851
	151	23	Q14_02. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy provides a reliable source of energy in the UK	Base: All Adults in UK	1851
	159	24	Q14_03. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy offers affordable energy for the UK	Base: All Adults in UK	1851
	167	25	Q14_04. Please just tell me how much you agree or disagree with the following statements. - Nuclear energy provides a safe source of energy in the UK	Base: All Adults in UK	1851
	175	26	Q14_DV. Whether respondent agrees with all statements regarding nuclear energy	Base: All Adults in UK	1851
	183	27	Q14a. Whether support or oppose nuclear energy	Base: All Adults in UK	1851
	190	28	Q15. How much, if anything, do you know about carbon capture and storage?	Base: All Adults in UK	1851
	194	29	Q15a. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use?	Base: All who know a lot/little about carbon capture and storage	414

	Page	Table	Title	Base Description	Base
	199	30	Q15ai. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use? - BASED ON ALL ADULTS	Base: All Adults in UK	1851
	203	31	Q15a. Knowledge of hydraulic fracturing for shale gas before today	Base: All Adults in UK	1851
	208	32	Q15b. From what you know, or have heard about, extracting shale gas to generate the UK's heat and electricity, do you support or oppose its use?	Base: All Adults in UK	1851
	218	33	Q15c. You said that you support hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who support using shale gas	138
	228	34	Q15d. You said that you oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who don't support using shale gas	822
	238	35	Q15e. You said that you don't know whether you support or oppose/neither support nor oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who neither support nor oppose or have no opinion of using shale gas	891
	243	36	Q16. Over the last three months, how worried, if at all, have you been about paying for the following - Summary table	Base: All Adults in UK	1851
	244	37	Q16_01. Over the last three months, how worried, if at all, have you been about paying for the following - Energy bills	Base: All Adults in UK	1851
	249	38	Q16_02. Over the last three months, how worried, if at all, have you been about paying for the following - Food and other household shopping	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	254	39	Q16_03. Over the last three months, how worried, if at all, have you been about paying for the following - Transport, including petrol/diesel and public transport costs	Base: All Adults in UK	1851
	259	40	Q16_04. Over the last three months, how worried, if at all, have you been about paying for the following - Mortgage or rent payments	Base: All Adults in UK	1851
	264	41	Q16_DV Those who are fairly/very worried about energy bills and less worried about food and other shopping/transport	Base: All Adults in UK	1851
	269	42	Q16E. You said you were more worried about paying for your energy bills compared with some of the other outgoings I mentioned at the last question. Why is this?	Base: All very or fairly worried about energy bills and less worried about food or other household shopping and transport expenses	137
	274	43	Q17a. Thinking about your gas and electricity supplier, which of the following best describes your current situation?	Base: All Adults in UK	1851
	279	44	Q18. How much, if at all, do you trust your energy supplier to do the following - Summary table	Base: All Adults in UK	1851
	280	45	Q18_01. How much, if at all, do you trust your energy supplier to do the following - Give customers a fair deal	Base: All Adults in UK	1851
	285	46	Q18_02. How much, if at all, do you trust your energy supplier to do the following - Provide you with a bill which accurately reflects the energy you have used	Base: All Adults in UK	1851
	290	47	Q18_03. How much, if at all, do you trust your energy supplier to do the following - Provide a breakdown of the components of your bill	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	295	48	Q18_04. How much, if at all, do you trust your energy supplier to do the following - Inform you about the best tariff for you	Base: All Adults in UK	1851
	300	49	Q18_05. How much, if at all, do you trust your energy supplier to do the following - Improve your home to make it more energy efficient, if you paid them to do this	Base: All Adults in UK	1851
	305	50	Q18_06. How much, if at all, do you trust your energy supplier to do the following - Provide impartial and accurate advice on energy efficiency measures	Base: All Adults in UK	1851
	310	51	Q18_DV. Do you trust your energy supplier to do all six of the actions at Q18	Base: All Adults in UK	1851
	315	52	Q21. Concern about Climate Change	Base: All Adults in UK	1851
	327	53	Q22. Thinking about the causes of climate change, which, if any, of the following best describes your opinion?	Base: All Adults in UK	1851
	339	54	Q23. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Summary table	Base: All Adults in UK	1851
	340	55	Q23a_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Steep rises in energy prices in the future	Base: All Adults in UK	1851
	349	56	Q23a_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Power cuts becoming more frequent in the future	Base: All Adults in UK	1851
	358	57	Q23b_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - UK supplies of fossil fuels not being sufficient to meet the UK's demand for them	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	367	58	Q23b_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK becoming too dependent on energy from other countries	Base: All Adults in UK	1851
	376	59	Q23b_03. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not investing fast enough in alternative sources of energy	Base: All Adults in UK	1851
	385	60	Q23b_04. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not developing technology to use existing sources of fossil fuels sufficiently	Base: All Adults in UK	1851
	394	61	Q23c. You said that you are [very / fairly] concerned about the UK becoming too dependent on energy from other countries. When you gave this answer, were you thinking about specific energy types?	Base: All who are very or fairly concerned about the UK becoming too dependent on energy from other countries	1097
	398	62	Q37. As far as you know, which of these are used as energy sources in your home ... for example, to provide heating or to power appliances. Please exclude anything used outside of your home ... for example fuel for vehicles.	Base: All Adults in UK	1851
	402	63	Q220. Now a question on a different topic... The Government promotes the concept of 'Net Zero'. Before today, how much, if anything, did you know about this concept?	Base: All Adults in UK	1851
	406	64	Q180. Views about the impacts of climate change in the UK	Base: All not saying there isn't such a thing as climate change	1812
	413	65	Q181. And how much, if at all, do you think climate change is currently affecting... - SUMMARY TABLE	Base: All not saying there isn't such a thing as climate change	1812

	Page	Table	Title	Base Description	Base
	414	66	Q181_01. And how much, if at all, do you think climate change is currently affecting... - Your local area	Base: All not saying there isn't such a thing as climate change	1812
	422	67	Q181_02. And how much, if at all, do you think climate change is currently affecting... - People in the UK as a whole	Base: All not saying there isn't such a thing as climate change	1812
	430	68	Q181_03. And how much, if at all, do you think climate change is currently affecting... - People in other countries	Base: All not saying there isn't such a thing as climate change	1812
	438	69	Q182. Thinking just about the UK, have you noticed any impacts of climate change over the past few years? If so, which ones?	Base: All not saying there isn't such a thing as climate change	1812
	454	70	Q183. Which of these do you think are likely to occur in the UK in the next 15 to 20 years as a result of climate change? You can choose as many as you want.	Base: All not saying there isn't such a thing as climate change	1812
	468	71	Q184. Thinking now about your everyday life, do you do any of these things?	Base: All Adults in UK	1851
	480	72	Q185. You mentioned that you currently do one of the things mentioned at Q184. What would you say is the main reason for this? - SUMMARY TABLE	Base: All who have chosen at least one of the options at Q184	831
	481	73	Q185_DV Actions done mainly to reduce climate change?	Base: All Adults in UK	1851
	495	74	Q185_01. You mentioned that you currently Choose to walk, cycle or use public transport more instead of using a car. What would you say is the main reason for this?	Base: All who choose to walk, cycle or use public transport instead of using a car	831
	502	75	Q185_02. You mentioned that you currently Avoid/Eat less meat. What would you say is the main reason for this?	Base: All who avoid/eat less meat	468

	Page	Table	Title	Base Description	Base
	509	76	Q185_03. You mentioned that you currently Avoid/Eat less dairy produce. What would you say is the main reason for this?	Base: All who avoid/eat less dairy produce	261
	516	77	Q185_04. You mentioned that you currently Avoid/minimise throwing away food. What would you say is the main reason for this?	Base: All who avoid/minimise throwing away food	980
	523	78	Q185_05. You mentioned that you currently Drive an electric or hybrid car. What would you say is the main reason for this?	Base: All who drive an electric or hybrid car	97
	530	79	Q185_06. You mentioned that you currently Think about the energy efficiency of products and appliances when making a purchase. What would you say is the main reason for this?	Base: All who think about the energy efficiency of products when making a purchase	640
	537	80	Q185_07. You mentioned that you currently Minimise the amount of energy you use at home. What would you say is the main reason for this?	Base: All who minimise the amount of energy they use at home	937
	544	81	Q185_08. You mentioned that you currently Avoid/minimise air travel. What would you say is the main reason for this?	Base: All who avoid/minimise air travel	334
	551	82	Q186. If everybody in the UK did the following, which three of these do you think would have the biggest impact on tackling climate change in the UK?	Base: All not saying there isn't such a thing as climate change	1812
	558	83	Q187. Who should have the most responsibility for tackling the effects of climate change in the UK?	Base: All not saying there isn't such a thing as climate change	1812
	566	84	Q188. How much do you trust each of the following to provide accurate information about climate change? - SUMMARY TABLE	Base: All Adults in UK	1851

	Page	Table	Title	Base Description	Base
	567	85	Q188_01. How much do you trust each of the following to provide accurate information about climate change? - Newspapers or newspaper websites	Base: All Adults in UK	1851
	574	86	Q188_02. How much do you trust each of the following to provide accurate information about climate change? - TV news such as BBC, ITV, Sky	Base: All Adults in UK	1851
	581	87	Q188_03. How much do you trust each of the following to provide accurate information about climate change? - Social media such as Facebook, Twitter	Base: All Adults in UK	1851
	588	88	Q188_04. How much do you trust each of the following to provide accurate information about climate change? - TV and radio documentaries	Base: All Adults in UK	1851
	595	89	Q188_05. How much do you trust each of the following to provide accurate information about climate change? - UK Government	Base: All Adults in UK	1851
	602	90	Q188_06. How much do you trust each of the following to provide accurate information about climate change? - Scientists working at universities	Base: All Adults in UK	1851
	609	91	Q188_07. How much do you trust each of the following to provide accurate information about climate change? - Scientific organisations such as Royal Society, Met Office	Base: All Adults in UK	1851
	616	92	Q188_08. How much do you trust each of the following to provide accurate information about climate change? - Charities, Environmental or Campaign groups such as Greenpeace, Friends of the Earth	Base: All Adults in UK	1851

Page	Table	Title	Base Description	Base
623	93	Q189. How much do you agree or disagree with the following statements? - SUMMARY TABLE	Base: All Adults in UK	1851
624	94	Q189_01. How much do you agree or disagree with the following statements? - It's not worth doing things to help reduce climate change if others don't do the same	Base: All Adults in UK	1851
631	95	Q189_02. How much do you agree or disagree with the following statements? - There is so much conflicting information about climate change it is difficult to know what to believe	Base: All Adults in UK	1851
638	96	Q189_03. How much do you agree or disagree with the following statements? - If everyone does their bit, we can reduce the effects of climate change	Base: All Adults in UK	1851
645	97	Q189_04. How much do you agree or disagree with the following statements? - I have the ability to make changes in my life that could help reduce climate change	Base: All Adults in UK	1851
652	98	Q189_05. How much do you agree or disagree with the following statements? - The media exaggerates the impacts of climate change	Base: All Adults in UK	1851
659	99	Q190. Please now think about large financial and legal businesses, such as larger accountancy, law and banking firms How much do you trust these types of businesses in the UK to... - SUMMARY TABLE	Base: All Adults in UK	1851
660	100	Q190_01. Please now think about large financial and legal businesses, such as larger accountancy, law and banking firms. How much do you trust these types of businesses in the UK to... - Tell the truth	Base: All Adults in UK	1851
