Dear [Redacted],

Thank you for your email of 22 February in which you requested the following information:

Could you please provide the number of personnel removed from training at the Royal Military Academy Sandhurst including, where the information exists, a breakdown of the reasons for their removal from training.

There is no requirement to include personnel who voluntarily withdrew from training, or those who were medically discharged, as my enquiry purely concerns personnel subject to disciplinary or administrative action.

In response to your request for my FOI request to be bound by time, could you please provide information for the period spanning 1 January 2009 to 1 January 2019.

I am treating your correspondence as a request for information under the Freedom of Information Act (FOIA) 2000. A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held, and can be found in the table below:

Discharge Reason	Calendar Year									
	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018
Admin or Discipline	20	50	40	50	40	40	20	30	30	40

Notes/Caveats:

- Data has been provided by Defence Statistics (Army) but is estimated and recognised to be of poor quality, taken from the Joint Personnel Administration (JPA) System. There may be more than one reason for discharge, and only the first reason recorded will come up on the search criteria. Some individuals had no discharge reason recorded on their JPA entry;
- The majority of reasons will be administrative action rather than discipline, but data quality is too poor to break down to a further level of granularity;
- Figures would not include any individuals who started and left within the same month, as this would not appear on searches. Data would include any individuals who have started and left on multiple occasions;
- Figures have been rounded to 10 for presentational purposes; numbers ending in "5" have been rounded to the nearest multiple of 20 to prevent systematic bias.

Under section 16 (Advice and Assistance), please be advised that further information about Administrative Action can be found in the Army General Administration Instruction 67 (AGAI 67), which can be accessed using this link:

If you have any queries regarding the content of this letter, please contact this office in the first instance. Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed.
