

EMPLOYMENT TRIBUNALS

Claimant: Mr C Murray

Respondent: Belzona Polymerics Ltd

JUDGMENT

The claim is struck out.

REASONS

1. The claimant complains of wrongful dismissal (breach of contract). The claimant also originally complained of unfair dismissal, but his complaint of unfair dismissal was struck out in a judgment by EJ Little dated 2 April 2020 because he was employed for less than two years.
2. EJ Little wrote to the claimant on 3 April 2020, asking the claimant to explain what notice pay he was claiming because the respondent stated that they had paid the claimant in lieu of notice. The claimant did not respond. The Tribunal wrote to the claimant on 30 April to warn him that the Tribunal was considering striking out his claim because it had not been actively pursued. The claimant again did not respond.
3. The claimant has failed to give an acceptable reason, despite being given the opportunity to do so, why the complaint should not be struck out.
4. Accordingly, the claim is struck out.
