Claimant: In Person

Respondent: Mr P Morse - Director

JUDGMENT

1. By consent, the Claimant's breach of contract claim succeeds. By consent, the Respondent is ordered to pay to the Claimant notice pay of £1,165. No deduction is to be made for tax.

Note: This has been a remote hearing on the papers to which the parties have consented and not objected. The form of remote hearing was an audio conference case management hearing by telephone. A face to face hearing was not held because it is in the interests of justice and in accordance with the overriding objective to minimise expenditure on time and costs. The documents which the Employment Judge considered are some of the pleadings, subsequent orders made in this case and others brought to his attention.
