### Information

On 6th November CPA-specific spread sheets were sent to individual providers identifying those people currently showing in PRaP as participating in Module 1, 2 or 3 of the Work Choice programme for your CPAs.

In order to establish whether this is a true picture we need providers to identify whether these people are still on programme, where they are in the

programme, the nature of the support they are receiving if they are in Module 2 or 3 and how this support enables the participant to retain their employment.

The spread sheet covers all participants who do not have an unsupported job outcome or end date held in PRaP.

### **Summary / Action**

Those Work Choice Providers who have received a spread sheet to complete the data collection request and return to DWP via

[SPECIALIST.DISABILITYPROGRAMMEQUERIES@DWP.GSI.GOV.UK](mailto:SPECIALIST.DISABILITYPROGRAMMEQUERIES@DWP.GSI.GOV.UK)

If you have not received a spread sheet, no action is required.
