**Claimant**

**Respondent**

Mr A Brzenzinski

v

BSH Distribution Centre

## JUDGMENT

1. The claim is struck out for non-compliance of an Order of the Tribunal.

## REASONS

1. A preliminary hearing took place at Cambridge on 3 December 2019. The claimant had previously been sent a Notice of Hearing which was not returned undelivered and he failed to attend and did not apply for an adjournment.
2. On that date, he sent the tribunal an email stating simply that he “could not be today in Cambridge” as he was working.
3. The record of preliminary hearing was sent to the claimant and not returned as undelivered.
4. At Order 1 of the Case Management Orders, the claimant was required to provide listed information by 7 January 2020, failing which his claims ‘will stand dismissed without further order’.
5. He has failed to provide those details. The claim stands as dismissed under the provisions of rule 37(1)(c) of the rules of procedure.
