NOTICE TO TRADERS 04/15

POULTRYMEAT IMPORT QUOTA

Introduction

This notice is to tell you about the quantities available for the next round of Poultrymeat import quotas under Commission Regulation (EC) No. 616/2007.

The products and quantities available are detailed in Annex 1 attached.

The application period

For the subperiod 1 July 2015 to 30 September 2015 you may apply for import licences and import rights between 1 April 2015 and 7 April 2015.

It is your responsibility to check that the application and all additional documentation is correct at the time of submission.

Note: We will reject any applications (including supporting documents), securities received after midnight on 7 April 2015 or proof of trade received after 5pm on 7 April 2015.

Proof of trade

If it is your first application of the quota year you must provide evidence to show that you imported at least 50 tonnes (non group 5A or 5B) or 250 tonnes (Group 5A or 5B) of product covered by Annex 1 part XX to Regulation (EC) No. 1234/2007, or of salted poultrymeat under CN code 0210 9939, during:

- the 12 month period immediately prior to the time of our application; and
- the 12 month period immediately prior to that.

Note: We will reject your application if there is not enough tonnage to qualify.

You must supply the original import document (C88) form, or a copy certified as a 'true copy' of the original stamped by Customs. We will not accept photocopies of the Customs stamp or scanned versions of these documents.

We do not need endorsed C88 documents for electronic licence attributions. Instead you need to provide:

- a schedule detailing the licence number;
- the date of import;
- weight of attribution; and
- the import entry number for each electronic attribution.

To request endorsement of a declaration at the time of entry, you should enter the code 'CAP11' in box 44 of your declaration. You do not need to enter any additional text with this code.

You must fax a copy of the entry and any supporting documents (clearly marked as 'request for endorsement') to the HM Revenue and Customs (HMRC) National Clearance Hub (NCH): 0800 496 0699.

You can e-mail the HMRC National Clearance Hub at nch@hmrc.gsi.gov.uk.

C88s which were not endorsed at the time of import should be sent for endorsement to:

Freepost RRBK-CGRL-RCUA
Route 3 Team - GATT Copies
HM Revenue & Customs
National Clearance Hub
Custom House
Furness Quay
Salford
M50 3ZZ

Telephone: 0161 261 5023

You should only ask HMRC to endorse the number of copy entries necessary for the relevant regulation. If you send more copies than is necessary, it may delay the return of your endorsed copy entries.

Proof of trade - processors (non Group 5A or 5B)

If you are a processor you must provide evidence to show that during both the 12 month period immediately prior to your application and the 12 month period immediately prior to that, you processed at least 1,000 tonnes of:

- poultrymeat under CN code 0207 or 0210 to produce preparations of poultrymeat of CN code 1602; or

- homogenised preparations of preparations under CN code 1602 1000 that contain no other meat than poultrymeat.

You must provide processing records that prove receipt and processing of the raw material into one of the accepted preparations. Proof of processing should consist of a spreadsheet containing the following information:

- the delivery dates of the raw product;
- a description of the raw product;
- the quantity of the raw product; and
- a description of the end product.

In addition to the spreadsheet the following proof is also required:

- commercial documents in the form of production records (cooking/processing records) to prove that processing of the quantity of poultrymeat entered on the spreadsheet took place within the two qualifying 12 month periods; and
- a covering letter confirming the CN codes of the raw product and processed product.

You only need to send a selection of processing records spanning the two 12 month periods with your application. You should keep the remaining records available at the processing establishment for us to verify at a later date.

Supporting documents

If it is your first application of the quota year you must send us a valid VAT certificate when submitting your application. If you are registered as part of a group you must provide a valid VAT certificate that lists each company within the group.
