### Work Choice Wage Incentive

You will have noted the contents of Work Choice LRM 30 (28th July 2014) in which we notified providers that the last employment start date for Work Choice Wage Incentive claims was under consideration.

This is to inform you that the Minister for Employment has decided to retain the young person's Wage Incentive for Work Choice participants.

This does not represent a change to current working practice, please continue to refer to Work Choice Provider Guidance Section 19 as usual.
