

Environment Agency Permitting Decisions

RSR Standard rules permits

Record of decision

We have decided to grant the permit specified below.

The permit number is EPR/YB3194DQ/A001

The applicant is Humbly Grove Energy Limited

The facility is located at Humbly Grove Oilfield, Weston Common, The Avenue, Lasham, Alton, Hampshire GU34 5SY

The decision is effective from 12/06/2020

We consider in establishing the standard rules we have taken into account all relevant considerations and legal requirements and that the standard rules will ensure the appropriate level of protection of people and the environment and security of radioactive substances.

Reasons for our decision

We are satisfied that the applicant is the person who will have control over the operation of the facility after the grant of the permit.

The applicant has confirmed that he is able to meet the standard rules. There is no known reason to consider that the applicant will not be able to comply with the standard rules.
