**SCHOOL MILK CLAIMS SPREADSHEET**

This information is needed for the EC School Milk Subsidy claims. The shaded columns will automatically update using the information added in the unshaded columns. You can use the calculator on the "conversion factors" sheet to convert units to kilolitres to add to this sheet. If you have any problems using the spreadsheet please contact us. You can either print it off and send it in with the claim or email it to Trader@rpa.gsi.gov.uk . If printing, please use page setup at Landscape at 80% to make sure that all the columns are printed on one page.
