Contracts for Difference: Stakeholder Bulletin

9 July 2020

The amended Contracts for Difference (Electricity Supplier Obligations) Regulations

The [Contracts for Difference \(Electricity Supplier Obligations\) \(Amendment\) \(Coronavirus\) Regulations 2020](#) came into force yesterday (8 July) in advance of the LCCC carrying out the quarterly reconciliation process for quarter 2 of 2020.

These Regulations allow the deferral of part of an increase in suppliers' obligations that arose from measures introduced to reduce the spread of coronavirus from quarter 2 2020 to quarter 2 2021. This will minimise the impacts on suppliers at a time when they are facing significant other pressures.

The [consultation and government response](#) contain further information on how these Regulations will work in practice.

Please direct any queries on this bulletin to the BEIS Contracts for Difference Team at BEISContractsforDifference@beis.gov.uk.
