You asked for information regarding the total spend by the Office on pest control at our main offices over the last three years, and a breakdown on what pests were tackled at the offices. We have handled your request under the Freedom of Information Act 2000.

The Office of the Secretary of State for Wales has two offices, one in London (owned) and one in Cardiff (space rented from a private landlord). The Office pays a fixed monthly cost for pest control in its London Office which is part of the monthly facilities management cost. The costs are not broken down by pests tackled.

The table below shows the costs the Office spent on pest control in London from financial year 2016-17 to 2018-19.

Financial Year	Cost £
2016-17	295.44
2017-18	302.88
2018-19	451.92
