EQUALITY FOR WORKERS UNION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2019

1. General information

The entity is a trade union registered in England and Wales. The union's registered number and registered office address can be found on the Union Information page.

These financial statements have been presented in Pound Sterling as this is the currency of the primary economic environment in which the union operates.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland.

The following principal accounting policies have been applied:

2.2 Going concern

The Executive Committee have prepared the financial statements on a going concern basis. They have reached this conclusion having assessed future plans and the impact of the COVID 19 pandemic on the Union. In making this assessment the Executive Committee have identified the following key factors, and applied appropriate sensitivities; this has formed the basis of their conclusion:

- Increasing member numbers
- A variable cost base with few fixed overheads that will facilitate short term cash flow management if required
- A strong liquidity position at the date of financial statement approval

2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Union and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

- the amount of revenue can be measured reliably;
- it is probable that the Union will receive the consideration due under the subscription.

Revenue from subscriptions is recognised in the period in which the subscription is due from the member.

2.4 Pensions

Defined contribution pension plan

The Union operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the Union pays fixed contributions into a separate entity. Once the contributions have been paid the Union has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the Union in independently administered funds.

FOR THE YEAR ENDED 31 DECEMBER 2019**

2. Accounting policies (continued)

2.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Plant and machinery - 33% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.7 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

3. Operating surplus/(deficit)

The operating surplus/(deficit) is stated after charging:

	2019	2018
	£	£
Depreciation	<u>658</u>	<u>658</u>

4. Employees

The average monthly number of employees during the year was 4 (2018 - 4).

EQUALITY FOR WORKERS UNION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF EQUALITY FOR WORKERS UNION

Opinion

We have audited the financial statements of Equality For Workers Union (the 'Union') for the year ended 31 December 2019, which comprise the Statement of Comprehensive Income, the Statement of Financial Position and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Union's affairs as at 31 December 2019 and of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of sections 28, 32 and 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Executive Committee's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Executive Committee have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Union's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Executive Committee are responsible for the other information. The other information comprises the information included in the Executive Committee's Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

EQUALITY FOR WORKERS UNION

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF EQUALITY FOR WORKERS UNION (CONTINUED)

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Union and its environment obtained in the course of the audit, we have not identified material misstatements in the Executive Committees' Report.

We have nothing to report in respect of the following matters in relation to which we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Executive Committee' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Executive Committee

As explained more fully in the Executive Committees' Responsibilities Statement on page 1, the Executive Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.
