PALM PAPER STAFF ASSOCIATION

FOR THE YEAR ENDED 31 DECEMBER 2019

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF THE PALM PAPER STAFF ASSOCIATION

We have audited the financial statements of Palm Paper Staff Association for the year ended 31 December 2019 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to union's members as a body. Our work has been undertaken so that we might state to union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, or for the opinion we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of Palm Paper Staff Association's affairs as at 31 December 2019 and of its transactions for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of sections 28-36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAS (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAS (UK) require us to report to you were:

- the officers' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the officers have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the union's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The officers are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

PALM PAPER STAFF ASSOCIATION

FOR THE YEAR ENDED 31 DECEMBER 2019

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF THE PALM PAPER STAFF ASSOCIATION

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trades Union and Labour Relations Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept;
- a satisfactory system of control over its accounting records, cash holdings and receipts and remittances has not been maintained;
or
- the financial statements are not in agreement with the accounting records and returns.

Responsibilities of officers

As explained more fully in the Statement of Officers' Responsibility (set out on page 1), the officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and for such internal control as the officers determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

We have been appointed as auditor under section 33 of the Trade Union and Labour Relations Act 1992 and report in accordance with section 36 of that Act.

In preparing the financial statements, the officers are responsible for assessing the union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the officers either intend to liquidate the union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAS (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report
