Dear ██████████

**RE: Request for Information – RFI3001**

Thank you for your request for information which we have processed in accordance with the Freedom of Information Act 2000 (FOIA).

For clarification, you requested the following information:

The information I am after is to identify the boundary alongside Norwich Place PO13 9NX and the path outside the fencing. Wates have applied to cut down 2 established Beech trees which are outside the old security fence. I am trying to save the trees and the old path also outside the security fence which is regular food access trail for badgers and foxes. The trees house 4 Corvid species and several squirrels so you can see what I am trying to prove as I believe the security fence is the limit of the land the MoD as HMS Daedalus owned making the trees outside of planned Daedalus site.
