Dear [Redacted]

Thank you for your email of 30 July 2020, requesting the following information:

***I would like to obtain the history for a Land Rover. Specifically, I am interested in which military units the vehicle was assigned to and where it was stationed for its full-service life. I would also like any information held regarding serving history, upgrades, modification or repairs.***

***It had the In-service registration number: PF98AA***

***The chassis number is SALLDAA67XA162770.***

Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000.

A search of Ministry of Defence (MOD) records has now been completed and I can confirm that information about the service history of this vehicle is held and provided in the attached Annexes:

Annex A - Vehicle history  
Annex B - Inspections history  
Annex C - Service history  
Annex D - Modifications history  
Annex E - Faults history  
Annex F - Usage history

Some information about your vehicle has previously been published and Section 21(1) of the FOI Act provides that information is exempt if it is reasonably available by other means. The Merlin archive was released as part of a previous FOI request and can be accessed at the Government publications website, at the following:

**Defence Equipment & Support**

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that the database in the above link is split into seven spreadsheets. The first has a list of vehicles, while sheets two through seven include the service histories. To search for a vehicle, you must press Ctrl + F on your computer keyboard, then select 'Options' and then select 'Workbook' from the 'Within' drop down list. Information relevant to your request can be found by typing the vehicle registration number and pressing 'enter'.

You may wish to note that when the Merlin database was archived into its current format some data may have been lost or corrupted. You should, therefore, be cautious that some of the data may be inaccurate.

You may also wish to contact the Royal Logistic Corps Museum who might be able to assist your research further. The contact details for the museum are below. It is, however, possible that the Museum may charge to use its services.
