Dear 

Thank you for your email of 5 August 2020, in response to my letter of 20 July 2020, requesting the following information:

**Thank you for the prompt email and letter response to my FOI request about MOD vehicle 25KK48.**

**Upon reviewing the Merlin 2.0 files via the link noted in your letter there is only one line of information regarding my vehicle in the first section. After checking all the other sections that refer to vehicle histories there is nothing regarding vehicle 25KK48.**

**Please can you check any other archived information that you may have regarding the history of vehicle 25KK48.**

Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000.

A search of Ministry of Defence (MOD) records has now been completed and information about the service history of your vehicle is held and provided in the attached Annexes:

- Annex A - Vehicle history
- Annex B - Inspections history
- Annex C - Service history
- Annex D - Modifications history
- Annex E - Faults history
- Annex F - Usage history

In my letter of 20 July 2020, I notified you that information about your vehicle has previously been published and Section 21(1) of the FOI Act provides that information is exempt if it is reasonably available by other means. The Merlin archive was released as part of a previous FOI request and can be accessed at the Government publications website, at the following:

**<https://www.gov.uk/government/publications/foi-responses-published-by-mod-week-commencing-09-july-2018>**

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that the database in the above link is split into seven spreadsheets. The first has a list of vehicles, while sheets two through seven include the service histories. To search for a vehicle, you must press Ctrl + F on your computer keyboard, then select 'Options' and then select 'Workbook' from the 'Within' drop down list. Information relevant to your request can be found by typing the vehicle registration number and pressing 'enter'. There are some 15 entries about your vehicle across all seven spreadsheets.

I can also advise you that in order to read some of the Annexes included in this response, you may need to use the zoom feature on your pdf viewer software.

You may wish to note that when the Merlin database was archived into its current format some data may have been lost or corrupted. You should, therefore, be cautious that some of the data may be inaccurate.

You may also wish to contact the Royal Logistic Corps Museum who might be able to assist your research further. The contact details for the museum are below. It is, however, possible that the Museum may charge to use its services.
