

# THE EMPLOYMENT TRIBUNAL

---

**Claimant**                      **Mr JA Artieda Villacres**  
**Respondent**                    **Kingdom Services Group Limited**

## JUDGMENT

The respondent's application of 7 July 2020 for reconsideration of the Rule 21 judgment sent to the parties on 16 April 2020 is granted. The judgment is hereby revoked.

## REASONS

1. By a claim form presented on 14 October 2019, the claimant claims arrears of wages against the respondent.
2. Notice of the claim was sent to the respondent on 29 October 2019 and the respondent was required to file a response by 26 November 2019.
3. A Rule 21 Judgment was issued on 26 March 2020 on the basis that no response had been filed by the respondent and no extension of time requested for filing such response. However, having seen the copy of the ET3 attached to the respondent's application, I am satisfied that it was presented on 26 November 2019 and therefore within time.
4. It is therefore in the interests of justice that the default judgment be revoked.
5. The matter will be re-listed for a final hearing in due course.
