

EMPLOYMENT TRIBUNALS

Claimant: Mr P Williams

Respondent: Driver & Vehicle Standards Agency & Department for Transport

JUDGMENT

The claim against the Second Respondent (The Department for Transport) is dismissed.

REASONS

1. The claims were brought against both the DVSA and the Department for Transport.
2. The response accepted the DVSA was the proper respondent and sought the dismissal of the claim against the Department for Transport.
3. On 28 July 2020, E.J. Broughton asked the claimant for comments to be provided by 4 August 2020 on the second respondent's application.
4. No comments were received wither by the date stated, or by 10 August 2020. The claim appears to have been properly brought against DVSA but the Department for Transport appears to have been wrongly included.
