Notes to the accounts

(see notes 82 and 83)

All notes to the accounts must be entered on or attached to this part of the return.

Accounting policies

(see notes 84 and 85)

The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the trade union. Monetary amounts in the annual return are rounded to the nearest £.

Income and expenses are included in the financial statements as they become receivable or due.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as accrued expenses.

Provisions are recognised when there is a legal or constructive present obligation as a result of a past event, it is probable that the trade union will be required to settle that obligation and, a reliable estimate can be made of the amount of the obligation.

Auditor's report (continued)

We have audited the accounts of the Association of Local Authority Chief Executives for the year ended 31 December 2019 which comprise the Income and Expenditure Account and the Balance Sheet. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The Council members are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

whether the accounting policies are appropriate to the entity's circumstances and have been consistently applied and adequately disclosed;
 the reasonableness of significant accounting estimates made;
 and the overall presentation of the accounts.

In our opinion:

the accounts give a true and fair view of the matters to which they relate; and
 have been prepared in accordance with the requirements of the sections 28, 32 and 36 of the Trade Union and Labour Relations (Consolidation) Act 1992; and
 proper accounting records with respect to its transactions and its assets and liabilities have been kept; and
 a satisfactory system of control has been established and maintained of its accounting records, its cash holding and all its receipts and remittances.

In our opinion the information given in this return for the year ended 31 December 2019 is consistent with the accounts
