

# Application for an environmental permit

## Part RSR-D3 – Application for transfer of radioactive substances activity permit (unsealed sources and radioactive waste from unsealed sources)

### Please read through this part of the form and the part RSR-D3 guidance notes before you fill it in.

It should take less than two hours to fill in this form.

Fill in this part of the form, together with parts RSR-A and RSR-F, if you are applying to transfer all or part of an existing permit for a radioactive substances activity involving unsealed sources and/or radioactive waste.

For security reasons, do not refer to sealed sources on this part of the form. There is a separate part (RSR-D2) to transfer permits for radioactive substances activities involving sealed sources.

### 2b Details of the partial transfer

Provide details of the proposed partial transfer, setting out:

- which parts of the radioactive substances activities will be transferred to the new operator and which will remain with the existing operator;
- the changes you consider necessary to the existing permit, and your proposals for the new permit, particularly in terms of:
  - unsealed source holdings;
  - permitted waste types, disposal outlets and disposal routes; and
  - limits on disposals.

## 2 About the partial transfer, continued

- the impact on people of discharges to the environment and on-site disposals, if the proposed limits (in combination) are greater than the current limits.

Document reference

Now fill in part RSR-F.

## 3 How to contact us

Please send all parts of your filled-in application form and supporting documents to our Radioactive Substances Regulation Permit Support Team as described in form RSR Part-F.
