Notes

This has been a remote hearing which has been not objected to by the parties. The form of remote hearing was V. A face to face hearing was not held because it was not practicable and all issues could be determined in a remote hearing. The documents that I was referred to are a bundle of papers received from the respondent and a bundle from the claimant.

Reasons for the judgment having been given orally at the hearing, written reasons will not be provided unless a request was made by either party at the hearing or a written request is presented by either party within 14 days of the sending of this written record of the decision.
