**BETWEEN**

**Claimant:** Mr E Danso

**Respondent:** Summit Elevators Limited

**HEARING**

HELD by CVP

ON: 24 August 2020

EMPLOYMENT JUDGE Truscott QC

Appearances

For Claimant: no appearance or representation

For Respondent: Mr R Doswell director.

This has been a remote hearing on the papers which has not been objected to by the parties. The form of remote hearing was fully video. A face to face hearing was not held because it was not practicable and specific issues could be determined in a remote hearing.

**JUDGMENT**

The claim is dismissed

**REASONS**

1. The claimant did not join the conference.

2. The respondent accepted that it was due £961.54 in respect of pay in lieu of one week's notice. However, it had to deduct a float of £500 provided to the claimant, a parking ticket incurred by the claimant of £65 and 2.62 days holiday taken over his contractual entitlement amounting to £503.83 leaving a balance due to the respondent of £107.30. The respondent has not made a counter claim.

3. The respondent sought dismissal of the proceedings. The Tribunal acceded to this request in the circumstances.
