Dear

Freedom of Information request: A303 Stonehenge Project

Thank you for your email of 20 August, requesting information in relation to A303 Stonehenge. As your request concerns to the contractors' payments and responses received to tenders distributed, I have dealt with it under the terms of the Freedom of Information Regulations.

On 20 August you asked, '*... Please provide the contractor payments to date by contractor, the distributed tender and responses received for the A303 Stonehenge project about tunnels and roads.*

I am writing to confirm that we have now completed our search for the information.

Regarding the distribution of tenders, we have had expressions of interest from three contractors and we are currently in the competitive dialogue phase with them. Final tenders will be in the Spring 2021, followed by a period of evaluation and verification. Therefore, the information you are requesting about the contractors' payments is currently not available.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:
<https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>.

If you require a print copy, please phone the Information Line on 0300 123 5000 or email info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
