The Secretary of State for Education, in exercise of the powers conferred by section 38(1) of, and paragraph 5 of Schedule 17 to, the Coronavirus Act 2020<sup>1</sup>, issues the following notice.

### *Disapplication of sections 5(1), 15(3), 17(2), 48(3) and 49(1) and (2) of the Education Act 2005*

1. The Secretary of State for Education by this notice disapplies:
  - a) in relation to England sections 5(1), 15(3), 17(2), 48(3) and 49(1) and (2) (provisions relating to inspections) of the Education Act 2005<sup>2</sup> (the 2005 Act) during the period specified in this notice;
  - b) any similar Academy arrangement provisions to sections 48(3) and 49(1) and (2) of the 2005 Act during the period specified in this notice.
  
2. The Secretary of State for Education considers that the issuing of this notice is an appropriate and proportionate action in all the circumstances relating to the incidence or transmission of coronavirus for the following reasons:
  - (a) Since 20th March 2020 educational institutions, including schools and further education colleges, and registered childcare settings in England have remained open for vulnerable children and young people, and for children of critical workers in order to reduce the spread of coronavirus.
  - (b) On 28th May 2020, the government confirmed that its tests for wider opening of educational institutions and registered childcare settings had been met. From 1st June 2020 primary schools and registered childcare settings in England have been asked to welcome back certain groups of children. From 15th June 2020, secondary schools, 16 to 19 and further education settings have been asked to provide some face-to-face support to certain other groups.
  - (c) The Secretary of State for Education has previously issued two notices disapplying the provisions specified in paragraph 1<sup>3</sup>. The most recent

notice was issued on 28th May 2020. The specified time period of that notice was 1st June 2020 to 30th June 2020.

- (d) The suspension of routine Ofsted inspections was announced on 17th March 2020. Routine inspections are not appropriate at this time while schools are fully engaged in responding to the coronavirus outbreak. Section 5(1) of the 2005 Act puts a duty on Ofsted's Chief Inspector to undertake regular inspections of state-funded schools within prescribed intervals and to report on the result of such inspections. If this section is not disapplied, Ofsted will fall foul of its duty to inspect within the prescribed period (around every 5 years).
  - (e) In relation to schools, lifting the duty on Ofsted to routinely inspect and report is necessary to alleviate pressure on school leaders and their staff, and enable them to focus entirely on delivering appropriate on-site provision for pupils attending schools; and developing and implementing appropriate approaches to enable pupils not attending school to receive as much good quality education as is possible in the circumstances.
  - (f) While routine Ofsted inspection is not appropriate at this time, Ofsted will retain its power to inspect individual schools, under section 8 of the 2005 Act, if any significant concerns arise.
  - (g) The suspension of routine inspection is a temporary measure. The government remains committed to Ofsted inspection. The disapplication of the duty to conduct routine inspection will remain under review and routine inspection will be re-introduced at the appropriate time.
  - (h) Sections 15(3) and 17(2) of the 2005 Act put a duty on the local authority (section 15(3)) or, in the case of an Academy, the proprietor (section 17(2)), to prepare a statement of action within a prescribed period following an Ofsted inspection which finds that the school requires special measures or significant improvement. By disapplying the requirements to produce a statement of action, as a temporary measure, we are recognising that local authorities, trusts and schools are currently focussed on developing and delivering an appropriate response to the coronavirus outbreak to ensure that their pupils are being appropriately and safely educated. We expect to follow up with local authorities and proprietors on the need for action plans, sensitively and proportionately, as and when circumstances allow.
-

- (i) Regional Schools Commissioners (RSCs) will also work with schools, including academies, to put in place suitable support arrangements. RSCs will consider on a case-by-case basis when steps may be taken to implement existing Academy orders issued in relation to inadequate schools.
- (j) Sections 48(3) and 49(1) and (2) of the 2005 Act put a duty on the governing bodies of voluntary or foundation schools which have been designated as having a religious character, and (through Academy funding arrangements) the proprietors of academies designated as having a religious character, to arrange inspections covering collective worship at the school and denominational education provided by the school within prescribed intervals and for the person conducting such an inspection to inspect and produce a report within prescribed periods. As set out above, routine inspections are not appropriate while schools are responding to the coronavirus outbreak. If these sections are not disapplied, some faith schools may fall foul of their duty to arrange these inspections within the prescribed period (around every 5 years) and to carry out the inspections and prepare a report within the prescribed period.
- (k) The matters above are relevant to all of England.

*Specified period*

3. The specified period in this notice starts at the beginning of 1st July 2020 and finishes at the end of 31st July 2020.
