Introduction

This notice explains how the rules are applied to this quota and how to apply for a licence. The following must be supplied to be eligible for a rice quota licence. If you do not have proof of trade as detailed below, you are not eligible and cannot apply.

You must be established and registered for VAT in the Member State where you apply. You must inform us of your current VAT registration number, which can be provided on the quota licence application. However, if your company is part of a group VAT registration number then we require a hardcopy of your current VAT certificate to be received before the quota deadline.

If this is your first application of the quota year, you must provide evidence to prove that you have imported rice from a non-EU country at least once during:

- The 12 month period immediately prior to the time of application; and
- The 12 month period immediately prior to that.

HMRC agents or representatives cannot apply for import licences under these quota arrangements.

Note: For details of the full procedures on providing proof of trade and applying for licences, please refer to Notice to Traders 38/19. You can obtain a copy of this notice by sending an email to trader@rpa.gov.uk. If you do not follow the rules of the scheme, your application will be rejected.

When we have been notified by the Commission of the quantity of quota allocated, we will issue a licence within 3 working days.

Your licence will have a 5% upward tolerance. However, the reduction in duty will only be valid for the quantities shown in sections 17 and 18 of your licence.
