

EMPLOYMENT TRIBUNALS

Claimants: Ms C Abraham & others (see below)

Respondent: North Tyneside Council

JUDGMENT

The claims set out below are struck out.

REASONS

1. By a letter dated **11 September 2020** the Tribunal gave the claimants an opportunity to make representations or to request a hearing, as to why their claims should not be struck out because they had not been actively pursued.
2. The claimants have failed to make representations as to why this should not be done or to request a hearing. The claimants have failed to take any steps to pursue their claims or to indicate their intentions as to the claims. It is not in the interests of justice that the claims should be allowed to drift. The claims are therefore struck out.
