JUDGMENT on RECONSIDERATION without a HEARING

Made at Newcastle

ON 24 September 2020

EMPLOYMENT JUDGE GARNON

JUDGMENT

I revoke my Judgment Striking Out the claims of 17 September 2020 because it is necessary in the interests of justice to do so and order the claim to proceed.

REASONS

I struck out the claim because it appeared not to be actively pursued . However, the claimant's representative has explained he made an error when sending a reply electronically . I accept that and the respondent's administrators have agreed it would be proper to revoke the strike out
