You can find guidance on national security in 'Environmental permitting guidance: core guidance' published by Defra and available at [www.gov.uk](http://www.gov.uk).

### You cannot apply for national security via this application.

We will not be able to progress your application until we receive the decision from the Secretary of State and therefore it is highly likely to delay your application. We will not include the information in the public register unless the Secretary of State decides that it should be included.

## 5 Declaration

**Make sure a relevant person makes the declaration.**

‘Relevant people’ means each applicant, and in the case of a company, a director, manager, company secretary or any similar officer/employee listed on current appointments in Companies House. In the case of a Limited Liability Partnership (LLP), it includes any partner.

If you are signing on behalf of a company you should state the company name and company number.

If you wish a manager or other employee not listed on current appointments at Companies House to fill in the declaration on behalf of the company or LLP we will need confirmation (by letter or email) from a relevant person; that is, an officer of the company or a partner in the LLP confirming that the person has the authority to fill in the declaration.
