Dear [REDACTED]

Thank you for your email of 11 September 2020, requesting the following information:

Please provide all history for Penman lightweight trailer I've recently purchased.

Reg number YF 29 AA

Your request has been handled in accordance with the Freedom of Information (FOI) Act 2000.

A search of Ministry of Defence (MOD) records has been completed and some information about the service histories of your vehicles is held on the Joint Asset Management and Engineering Solutions (JAMES) system, and provided in the attached Annexes:

Annex A – YF29AA Vehicle history
Annex B – YF29AA Service history
Annex C – YF29AA Modifications history
Annex D – YF29AA Faults history
Annex E – YF29AA Inspection history

Some information about your vehicles has previously been published and Section 21(1) of the FOI Act provides that information is exempt if it is reasonably available by other means. The Merlin archive was released as part of a previous FOI request and can be accessed at the Government publications website, at the following:

<https://www.gov.uk/government/publications/foi-responses-published-by-mod-week-commencing-09-july-2018>

Under Section 16 (Advice and Assistance) of the FOI Act, I can advise you that the database in the above link is split into seven spreadsheets. The first has a list of vehicles, while sheets two through seven include the service histories. To search for a vehicle, you must press Ctrl + F on your computer keyboard, then select 'Options' and then select 'Workbook' from the 'Within' drop down list. Information relevant to your request can be found by typing the vehicle registration number and pressing 'enter'.

You may wish to note that when the Merlin database was archived into its current format some data may have been lost or corrupted. You should, therefore, be cautious that some of the data may be inaccurate.

I can also advise you that in order to read some of the Annexes included in this response, you may need to use the zoom feature on your pdf viewer software.

Finally, you may also wish to contact the Royal Logistic Corps Museum who might be able to assist your research further. The contact details for the museum are below. It is, however, possible that the Museum may charge to use its services.
