Brief description of the problem

Further to Drug Alert EL (20)A/46 issued on 29 September 2020 Theramex Ireland Ltd T/A Theramex HQ UK Ltd has informed us of an issue related to error in the decommissioning of a further batch as listed above. Upon decommissioning at the pharmacy and when scanning the serialised 2D code, the status of packs may report as 'EXPORT'. Although there is no risk to product quality, any remaining stock should be quarantined and returned.

Advice for healthcare professionals

Stop supplying the above batch. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.
