PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PROFESSIONAL

CRICKETERS' ASSOCIATION FOR THE YEAR ENDED 31 DECEMBER 2019

Opinion

We have audited the financial statements of The Professional Cricketers' Association ("the Association") for the year ended 31 December 2019 which comprise the income statement, the statement of financial position and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 December 2019 and
 of its surplus for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in which the ISAs (UK) require us to report to you where:

- the Players' Committee use of the going concern basis of accounting in the preparation of the financial statements is not appropriate, or
- the Players' Committee have not disclosed in the financial statements any identified material
 uncertainties that may cast significant doubt about the PCA's ability to continue to adopt the
 going concern basis of accounting for a period of at least twelve months from the date when
 the financial statements are authorised for issue.

Other information

The Officers are responsible for the other information. The other information comprises the information included in the Financial report, other than the financial statements and our auditor's report thereon.

PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PROFESSIONAL

CRICKETERS' ASSOCIATION FOR THE YEAR ENDED 31 DECEMBER 2019 (CONTINUED)

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Association and its environment obtained in the course of the audit, we have not identified material misstatements in the Financial report.

We have nothing to report in respect of the following matters in relation to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the Union has not maintained a satisfactory system of controls over transactions; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Officers

As explained more fully in the Statement of Officers' responsibilities, the Officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Officers determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Officers are responsible for assessing the Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Officers either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
